

DEPARTMENT OF ELECTRICAL ENGINEERING

The Electrical Engineering (EE) department at NUST SEECS currently offers Bachelors, Masters and PhD degrees in Electrical Engineering and a Bachelor's degree in Information & Communication Systems Engineering. The EE department offers a broad range of EE courses, both elementary and advanced, spanning the whole gamut of EE disciplines including areas such as electronic, electrical machines, power engineering, control systems, computer systems, communication systems and networks.

Academics

The EE department aims to achieve academic and research leadership in its subject area through its well-designed curriculum (that emphasizes conceptual understanding and fosters creativity) coupled with its strong focus on research, innovation, and industry-liaison. NUST SEECS also strongly emphasizes on imbibing the graduates with sound professional ethics. Summarizing, the broad objectives of EE department are as follows:

- To develop EE & BICSE graduates having a concrete knowledge-base spanning the broad range of basic EE & CE disciplines through a strong focus on teaching excellence.
- To develop practically skilled EE & BICSE graduates who can contribute significantly immediately after graduation through a strong focus on incorporating practical skills learnt during the lab work.
- To imbibe graduates with analytical, critical reasoning, and problem-solving skills through a strong focus on fostering research and innovation.

Message from the Associate Dean Engr. Habeel Ahmad

The time has come for the new batch of the graduates of EE program to enter the real world; this transition would be both fruitful and challenging. It would be fruitful, since it is the successful culmination of four years of hard work and studies. Challenging; because you would now strive to become productive and useful members of engineering fraternity. The biggest challenge that awaits you is the need for continuous learning and acquisition of new knowledge that is necessary for optimal performance in your professional endeavors. I wish you all well, and earnestly hope that the future holds promise for you; you must take charge of your destiny and overcome all hindrances that come your way. I believe that all obstacles can be overcome through intrinsic motivation to perform better. So go forth, work hard and make worthy contributions to your profession.

Research Aims/Objectives

The Electrical Engineering department at SEECS is committed to carry out cutting edge and productive research in the vast domain of Electrical & Computer Engineering. The research aims at:

- Utilizing the latest technological advancements for the betterment and advancement of society
- Catering the demands and needs of local industry and strategic R & D organizations of the country
- Contributing to cutting edge research in diversified specialties such as a advanced digital and analogue electronics, microwaves, communication, computer networking, signal processing and multimedia, computer vision and advanced controls for robotics
- Development of quality and well groomed research professionals

Lab Facilities

The following Labs have been established and managed by Electrical Engineering Department.

- Teaching Labs
- Basic Electronics Lab
- Advanced Electronics Lab
- Digital & Embedded Systems Lab
- Communication & DSP Lab
- Control Systems Lab

- Electro-Mechanical Systems Lab
- Microwave Devices & Antenna Lab
- Research Labs
- WiSNet (Wireless & Secure Networks Research) Lab
- VISPro (Vision Image and Signal Processing research group) Lab
- AMSG (Analog & Mixed Signal Research Group) Lab
- CONNEKT (Research Lab for Communication, Networks and Multimedia)
- COGNET (Cognitive Networks Research) Lab
- CEFAR (Center of Excellence for FPGA & ASIC Research) Lab
- Electronics Systems Design and Automation (ESDA) Centre
- SAVE (System Analysis & Verification) Lab
- Microwave Research Lab
- Antenna Test & Measurement Lab
- EMC / EMI Lab

Faculty

At the Department of Electrical Engineering, we have a total of 41 faculty members presently. Of these, there are 24 PhDs, each having done his doctorate from a reputed university. In fact most of the faculty is qualified from leading universities of the world like Georgia Tech, Michigan State University (USA), UNSW (Australia), Manchester &, Southampton Universities (UK), Delft University (Netherlands), KTH (Sweden) to name a few. Together this mix of highly proficient professionals provides a balanced mix of most of the areas of specialization in the electrical engineering program. This wide spectrum of dedicated staff ensures quality research and a high level of teaching. The faculty is actively pursuing research in their respective areas of specialization thus providing students a unique blend of teaching strengthened through research activities.

Associate Dean
Mr. Habeel Ahmad
MS(EE) Michigan State University, USA.

Digital Systems and Signal Processing	
Head Dr. Muhammad Murtaza Khan PhD (Image Processing) Grenoble Institute of Technology (INP Grenoble), France.	Dr. Amir Ali Khan Ph.D. Electrical Engineering Grenoble Institute of Technology France
Dr. Awais Mehmood Kamboh PhD Michigan State University, USA	Dr. Khawar Khurshid PhD (Biomedical Imaging) Michigan State University, USA
. Dr. M. Shahzad Younis Ph.D Signal and Image Processing University Technology Petronas, Malaysia.	Dr. N.D Gohar Ph.D. London, UK
Dr. Osman Hasan PhD (Electrical Engineering) Concordia University, Canada.	Dr. Rehan Hafiz PhD (Re-configurable signal processing techniques for optical tomography) University of Manchester , UK.
Mr. Arshad Nazir MS Electrical (Telecommunication). NUST, Pakistan.	Mr. Kamran Hussain Zaidi MS Digital Communication, Uk.
Mr. Muhammad Jameel Nawaz Malik MS (Electrical Engineering) NUST-SEECS, Pakistan	Mr. Nasir Mahmood MS (BUAA) China
Communication Systems and Networks	
Head Dr. Zawar Hussain Shah PhD Electrical Engineering University of New South Wales Sydney, Australia.	Dr. Adnan Khalid Kiani PhD (Network Communication) Brunel University, UK.
Dr. Adeel Baig Ph.D. University of New South Wales, Australia.	Dr. Hassaan Khaliq Qureshi Ph.D. Electrical Engineering City University, London, England

Dr. Anjum Naveed Ph.D. University of New South Wales, Australia.	Dr. Muhammad Usman Ilyas Ph.D. Electrical Engineering Michigan State University, USA.
Dr. Junaid Qadir Ph.D. (Computer Science and Engineering) University of New South Wales (UNSW), Australia.	Dr. Syed Ali Hassan PhD (Electrical Engineering) Georgia Institute of Technology, USA
Dr. Saad Qaisar PhD Electrical Engineering Michigan State University, USA	Mr. Osama Ali Arshad MS Electrical Engineering Texas A&M University, College Station, Texas, USA
Ms. Ayesha Bint Saleem MS (Electrical and Computer Engineering) Rutgers University, USA	
RF and Microwave Engineering	
Head Dr. Munir Ahmad Tarar PhD (Electrical Engineering) Dalhousie University, Canada.	Dr. Farooq Ahmad Tahir Ph.D. Microwave, Electromagentism and Optoelectronics, LAAS, University of Toulouse, France
Mr. Abid Mushtaq M.S. (Electrical Engineering & Computer Science) Seoul National University, South Korea	Mr. Ahsan Azhar MS (Electrical Engineering) University of Gävle, Sweden.
Mr. Aqeel Ahmad Qureshi MS National University of Sciences and Technology (NUST) Pakistan	Mr. Muhammad Usman Afzal MS National University of Sciences and Technology (NUST) Pakistan
Mr. Yasir Iqbal MS in Electrical Engineering, University of Gavle , Sweden	
Electronics, Power and Control	
Head Dr. Tauseef Tauqeer PhD Microelectronics and Nanostructures University of Manchester, UK	Dr. Ammar Hasan PhD (Control Systems) Imperial College London, UK
Dr. Farid Gul PhD (Electrical Engineering) Beihang University China (BUAA)	Dr. Usman Younis PhD (Electronics & Electrical Engineering) University of Glasgow, UK
Dr. Habib-ur Rehman PhD The Ohio State University, USA	Mr. Muhammad Shafique MS Electrical Engineering with Specialization in Optical Engineering Nanjing University of Science and Technology, China
Mr. Mansoor Shaukat Assistant Professor MSc Electronics from UK	Mr. Saleem Iftekhar MS (EE) Air Force Institute of Technology, Dayton,USA.
Mr. Muhammad Ali MS (Electrical Engineering) KTH, Sweden.	Ms. Mehrin Kiani MS (Electrical Engineering) Rensselaer Polytechnic Institute (RPI), USA
Mr. Muhammad Ramzan ME (Electrical) UNSW Australia .	

BICSE PROGRAM

The course work of Bachelors in Information & Communication Systems Engineering (BICSE) has been designed, keeping in view the vision of NUST-SEECs, which envisages the immediate uplifting of the standard of IT education in Pakistan, as well as remaining in pace with fast growing technological revolution. The courses included in the BICSE programme are a fine blend of communication system engineering and information.

This programme will offer courses which are in line with those of leading educational institutions all over the world and which also conform to all standards of degree programmes being conducted at other constituent colleges of NUST. It produces graduates who understand the complex facets of modern information systems, and the integration of these systems in industrial and service organizations. The undergraduate program in information and communication system engineering is intended to provide students with necessary knowledge, abilities and methods under special consideration of both requirements and changes in the vocational world so that they will be able to carry out professional work on a scientific basis, to critically classify scientific results and to act with responsibility. In addition to knowledge in the area of information and communication system engineering, knowledge from other scientific disciplines, which are of special importance for being successful in the dynamic technology environment, is included. The degree spreads over a span of four years of study, comprising 136 credit hour study.

This programme provides the opportunity to study

Communication systems, such as Optical Fibre, Wireless, Satellite, and Telecommunication systems, the Internet, interactive TV; Design of electronic systems using Microwave and Optical Fibre Links; How different types of data (e.g. speech, video, etc.) can be encoded for transmission and storage in communication systems; How project management and systems engineering techniques can be applied to development of communication systems. Design of computer networks, and development of software that runs on networks; Modeling techniques for electrical systems.

Course Outline for BICSE

S.No	Course Code	Subjects	Credit Hrs Teaching	Credit Hrs LABS	Course Dept
Semester 1 Total CHs (16.5)					
1	BS101	Applied Physics	3	0.5	BS
2	BS122	Calculus – I	3	0	BS

2007-NUST-BICSE-154

Ahmad Ishfaq

126-B Temple road, Lahore
Phone Number: 0336-5470267
Email: m.ahmadishfaq@gmail.com

CAREER OBJECTIVES

To develop the responsibilities with my education and related experience, and to secure a responsible position in the capacity where I may contribute for the growth of both prospective industry and myself.

EDUCATION

2008 – 2012	Bachelor of Information & Communication System Engineering 2.50/4.00
2005 – 2007	NUST School of Electrical Engineering and Computer Sciences 828/1100 Crescent College, Lahore
2006 – 2007	685/850 St.Peters High School. Lahore

DEVELOPMENT & TECHNICAL SKILLS

- o Languages: C/C++, SQL, PHP, HTML, Assembly language
- o Operating Systems: Windows XP, Windows 7, Linux-Ubuntu
- o Tools and Techniques: Dreamweaver, Matlab, Visual Studio, AVR studio
- o Databases: MS Access, MySQL, SQL server
- o Hardware & Simulations: Pspice, Multi-sim, Xilinx-FPGA

ACADEMIC PROJECTS

- Final Year Project: Eyes on The Road: Traffic Police Assistant
- o The idea is to develop a system for the Police / Law Enforcement agencies. The system will involve a camera attached to a laptop in the car. The camera scans the license plates of all passing by cars and checks from the database stolen car record. Along with it is an interactive website for the officers to check the violation history of the driver.
 - o Removal of noise from background Music using Matlab (Signals and Systems)
 - o Anti-Aliasing of Images using Matlab (DSP)Enter Best Semester Project 3
 - o Phase Locked Loop (Matlab)

Arslan Shaukat Bhatti

Wara Road, Khewra, Tehsil Pind Dadan Khan, Distt Jhelum, House # J.750
Cell: +92-321-5512589, Email: kamran.haider@seecs.edu.pk

CAREER OBJECTIVES

Enterprising student with goal to become an innovative professional engineer who can perceive needs of society and link them with commercial applications.

EDUCATION

2008 – 2012	Bachelors in Information and Communication Systems Engineering School of Electrical Engineering and Computer Sciences(SEECS),National University of Science and Technology(NUST), Islamabad, Pakistan.
-------------	---

WORK EXPERIENCE

July – September 2011	Internship ALSTOM GRID: Internship carried out at several grid stations of WAPDA in Islamabad region which involved the implementation of the SCADA system for WAPDA LDSU project.
July – September 2011	Internship PAC KAMRA: Internship involved the programming of a code for testing the ICs i.e. they were in working condition or not.

DEVELOPMENT & TECHNICAL SKILLS

- o Tools and Techniques: Pspice, MultiSim , Proteus, Kiel, Xilinx, MS Visual Studio 2008, Photoshop, MS Office.
- o Databases: My SQL.
- o Languages: C, C++, Matlab, Verilog HDL, Assembly language.
- o Hardware & Simulations: Xilinx Vertex 5 and Spartan.
- o Operating Systems: Windows, Linux.

ACADEMIC PROJECTS

- o KINECT for Therapy (Final Year Project).
- o It is a research based project aimed to develop an interactive game that can be used for the therapy of patients using Kinect Sensor as an input device and data from sensor would be used to evaluate the exercise and provide assistance and feedback to the patient.
- o Voice recognition in MATLAB using FM Transmitter and Receiver.
- o Designed operating software for a digital camera using FPGA
- o IC tester using ATMEGA 16 for embedded systems course.
- o Music and Voice separator using MATLAB.
- o Implementation of Data Compression algorithms coding (Huffman & Hamming).
- o 4-bit Door Lock using digital logic design
- o Four way traffic signal with timers using 8051 microcontroller
- o Heuristic function for chess.
- o Designed a program in C++ for Hospital Management

EXTRA CURRICULAR ACTIVITIES

- o 2012| House Captain in SEECS-NUST Sports Gala 2012.
- o 2012| Volleyball Captain NUST Volleyball Team.
- o 2011-2012| Sports Committee executive member.
- o 2011| Organizer SEECS-NUST Sports Gala 2011.
- o 2010-2011| Vice President NUST-SEECS Programs and Activities Committee.
- o 2010| Head Organizer social event at NASTEC 2010.
- o 2008-2010| Member NUST-SEECS Programs and Activities Committee.

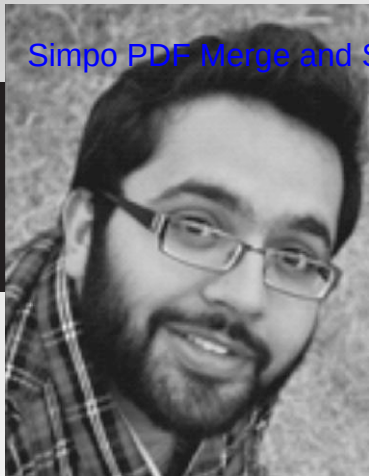

2007-NUST-BICSE-163

COMMUNITY INVOLVEMENT

- o Organizer of funfair for special people with ROTARY International.
- o Volunteer for Red Crescent in Earthquake Relief Program 2005.
- o Organizer Seecs Futsal League for fund raising for flood victims.

HONOURS & ACHIEVEMENTS

- o Best speaker of JIRGA session 2011.
- o Shaheen Foundation Scholarship for graduation.
- o Distinctions in SSC both in 1st and 2nd year.
- o Winner of NUST Olympiad 2009 Minutes to Glory.

2007-NUST-BICSE-186

Muhammad Faisal Laghari

Grad Oven, Technology Incubation Centre, NUST H-12, Islamabad
Phone Number: 0345-5255255
Email: faisal.laghari@seecs.edu.pk

CAREER OBJECTIVES

To work passionately in a stimulating environment where I can apply & enhance my knowledge, skills to serve the firm to the best of my efforts.

EDUCATION

2007 – 2012	Bachelor of Information and Communication Systems Engineering NUST School of Electrical Engineering and Computer Sciences
2005 – 2007	A'Levels Roots College International, Islamabad
2002 – 2005	O'Levels Cadet College Hasanabdal

RESEARCH EXPERIENCE

Brain Computer Interface; Bio-feedback based platform for Rehabilitation

WORK EXPERIENCE

Nov 11 - Current	COO & Founder at 'GradOven' / Technology Incubation Centre, NUST Islamabad To oversee the everyday operations and functions of the company; Direct Company Operations to meet budget and other financial goals; Make recommendations on important business decisions; Strategic Planning and Resource allocation;	- o - o - o - o
July 11 – Current	CEO & Founder 'Laghari HydroPower' / Abbottabad	
Dec 10 – March 11	Organizer at Deventions Event Management / Lahore & Islamabad Organized exhibition for “Many Happy Returns” Organized launch exhibition of “Eventive” Organized launch exhibition of “Off the Rack”	- o - o - o
Jan 11 – Current	Teacher O'Levels Biology and Chemistry Teaching Assistant for the course of Electrical Circuit Analysis under SEECS On-Campus Job Program.	
March 10 – June 10		

DEVELOPMENT & TECHNICAL SKILLS

- o Certified Associate of PLC and SCADA
- o Got basic training of PSOC
- o Languages: C, C++, Assembly, SQL
- o Tools and Techniques: Wordpress, LabView, MATLAB, Pspice, Multi-Sim, SQL Server 2008, MS Visual Studio, Unity 3D, Adobe Photoshop, Sony Vega, Flash, Microsoft Office
- o Databases: Microsoft Access

ACADEMIC PROJECTS

- o Final Year Project: Brain Computer Interface
- o It is a Bio-feedback based Platform for the rehabilitation of stroke patients. Live Brain Signals are used to move the subject in a Virtual Reality program. Fire Fighting Robot for UET Robotics Contest, Peshawar
- o Server to Client chat program using Object-Oriented Programming in C++ and MFC
- o Database of TECHNOVATION, an Electrical Devices Manufacturing Company
- o Digital Clock in DLD

HONOURS & ACHIEVEMENTS

- o Got semester based scholarship in 2nd Semester for achieving excellent grades
- o Best Leader Award in Organizational Behavior course
- o Best Volunteer Award for the Year 2010-2011

EXTRA CURRICULAR ACTIVITIES

- o Organized All Pakistan IEEE NUST Olympiad'2009
- o Organized All Pakistan NASTEC 2009
- o Head Semester Project Exhibition
- o Head Blood Donation Camps 2 times
- o Organized Best Idea competition at NASTEC
- o Organized Orientation Sessions for 2 years
- o Organized Startup Insider Session
- o Participant INVENT
- o Head Event Coordination Department of NUST Volunteer Club
- o Executive member of Event Coordination team under Student Council
- o Executive member IEEE
- o Executive member NSEC
- o Executive member of Dramatics Society under Student Council
- o And many more...

COMMUNITY INVOLVEMENT

- o Vice-President NUST Community Services
- o Executive Member NUST Volunteers Club
- o Founder & Lead Volunteer at 'Volunteer for Pakistan'

Mohd. Irteza Rana

59-B Army Officers Housing, Askari 7, Adiyala Road, Rawalpindi, Pakistan.
Phone Number: 034-77-22-22-21
Email: irteza.rana@gmail.com

CAREER OBJECTIVES

To become a successful Telecom Engineer and be of assistance towards providing efficient communication Solutions to an organization of repute.
Recently Graduated from NUST and looking forward for a challenging career in the field of Radio Frequency Optimization & Networks

EDUCATION

2008 – 2012	BE in Information and Communication System Engineering (Majors Telecom and Electronics) 2.76/4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	Saint Mary's Academy Lalazar A levels 83.6%
2004 – 2006	The City School Rawalpindi O levels 86%

WORK EXPERIENCE

JUN 2011 – AUG 2011	TELENOR PAKISTAN , Worked on SEBEL CRM Software for Sales & Distribution Regional Headquarters Islamabad . TELENOR POS , FANDAMAO EASY PAISA Software Maintenance & Training for Franchises.
JUN2010- AUG 2010	Internee at ASKARIBANK DATACENTER as Network Design Engineer. Worked on JUNIPER devices (SSG-140/550, SRX, IDP, EX8200) including their setup, troubleshoot & configuration. Also provided technical support to Branch Network of Askaribank all over Pakistan. Worked on the establishment of ASKARIBANK Datacenter with IBM team.
JAN2009- MAY 2009	Teacher Assistant at NUST-School of Electrical Engineering Islamabad in Subjects of Electrical Circuit Analysis And C++ programming duration

DEVELOPMENT & TECHNICAL SKILLS

Programming C++/OOP , ASP.NET , Microsoft Access/ SQL server MySQL/DBdesigner, Microsoft SQL server, Visual Studio 2008, Linux Ubuntu , Solaris , Adobe Photoshop , ADS (Advance Design Systems) , HFSS , WireShark , MATLAB ,Proteus Suite + AVR Studio , Xilinx Software & FPGA kit

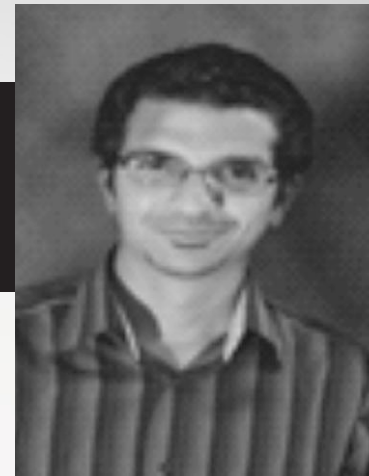

ACADEMIC PROJECTS

Final Year Project: **TWO WAY GSM TRANSCEIVER**
Low Cost GSM Transceiver, aimed to remove RF coverage holes in Weak Coverage Areas. Act as a Repeater and boosts weak signals from BTS. By using these Transceivers GSM companies can provide coverage in areas with poor reception.

- o Designing of Directional and Omni Antenna for GSM 1/ GSM 2 Frequency
- o Digital Function Generator using Embedded System Designs.(ATMEGA)
- o GYM management System in SQL Server 2008 & Windows form applications for web based database.
- o Implementation of Spanning Tree Algorithm on Sun's Solaris System.
- o Noise Filtration of Signals using MATLAB

HONOURS & ACHIEVEMENTS

- o Elected Chair IEEE RAS NUST Islamabad
- o Founder Member of Saint Mary's Science Society.

2007-NUST-BICSE-190

COMMUNITY INVOLVEMENT

- o Organizer of funfair for special people with ROTARY International.
- o Volunteer for Red Crescent in Earthquake Relief Program 2005.
- o Organizer Seecs Futsal League for fund raising for flood victims.

HONOURS & ACHIEVEMENTS

- o Best speaker of JIRGA session 2011.
- o Shaheen Foundation Scholarship for graduation.
- o Distinctions in SSC both in 1st and 2nd year.
- o Winner of NUST Olympiad 2009 Minutes to Glory.

2007-NUST-BICSE-220

Aisha Bibi

House#242 Street# 26, Zakria Town, Multan Pakistan.
Phone Number: 0334-9588597
Email: aisha.bibi@seecs.edu.pk

CAREER OBJECTIVES

Looking for some challenging work in a renowned company.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System engineering 3.73 / 4.00
2006 – 2008	NUST School of Electrical Engineering and Computer Sciences HSSC 948/1100
2004 – 2006	Nishat College For Girls Multan SSC 718/850 Nishat School For Girls Multan

WORK EXPERIENCE

Summers 2011	CAC / NUST, Islamabad CAC economic project in collaboration with National Bank of Pakistan for the betterment of economy of Pakistan.
--------------	--

DEVELOPMENT & TECHNICAL SKILLS

- Proficient at software and applications such as Microsoft Office, Windows Movie Maker.
- Known and practiced Programming Language: C++
- Known and practiced Verilog.
- Known and practiced MATLAB.

ACADEMIC PROJECTS

- Digital Wallet
The main idea of “Digital Wallet” is to replace paper money by smart cards in SEecs campus. Instead of carrying your wallet around everywhere and fumbling for it to get the cash for inter campus payments All a student has to do is to top-up his/her card by top-up machine which would be installed around campus where students will insert card and money to charge. Now the student is ready for digital payment which is much more feasible and secure than ordinary payment method.
- C++ Programming: Software in C++ which was based on University Management System.
- Digital Logic Design: Hardware implementation of a digital clock.
- Economics: Project on subsidy.
- Project Management: Project on Managerial Issues.
- Embedded System Design: Digital laundry system.

HONOURS & ACHIEVEMENTS

- VP Pledge Development YES.
- 4 GPA in 3rd and 7th semester.

EXTRA CURRICULAR ACTIVITIES

- Member of IEEE for 1 year.
- Worked as the member of the NVC
- Participated in Toast Masters 10 sessions
- Set up many food stalls for the purpose of charity as well as competition purpose.
- Participated and won in many other inter and intra school, college competitions namely debates competitions, flower arrangement competitions, essay writing competitions, races.

COMMUNITY INVOLVEMENT

- Volunteer in blood donation camp.
- Manager of Editorial Board NUST Volunteers Club.
- Have an experience of TA ship for a semester.
- VP Pledge Development YES.

2008-NUST-BICSE-165

Abdul Basit Saleem

488/A-block, Ghulam Muhammad Abad, Faisalabad
Phone Number: 0322 607 0406, 0344 240 0000
Email: 08bicsebsaleem@seecs.edu.pk

CAREER OBJECTIVES

To pursue intellectual excellence while contributing significantly towards the operational readiness and competitiveness of a progressive organization .To works in future as an engineer and successful entrepreneur to solve world's problems through technology.

EDUCATION

2008– 2012	Bachelor of Information and Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	A-Levels Cambridge University, UK
2004 – 2006	O-Levels Cambridge University, UK

WORK EXPERIENCE

July 2011-August 2011	Internee at Pakistan Telecommunication Company Limited , Faisalabad
-----------------------	---

July 2010-August 2010	Internee in Pak Telecom Mobile Limited (PTML)
-----------------------	---

DEVELOPMENT & TECHNICAL SKILLS

- C Programming, Object Oriented Programming using C++, Database Management
- Proteus, Multisim, Keil, Microsoft Office(Word, PowerPoint, Excel, Project, Access)
- Rational Rose
- AVR ATMEGA16 , 89C51 , PIC Microcontroller

ACADEMIC PROJECTS

- Sine Wave Inverter
- Our goal is to design an efficient, inexpensive inverter with a pure sine wave output. Utilizing PWM and analog components and micro-controller the output will be a clean sinusoid, with very little switching noise, combined with the inexpensive manufacturing. A inverter should be able to handle a power of 3000 VA
- AM transmitter in Analog and Digital Communication systems course
- GSM based Home Locking System
- Research based project on Inflation
- Analyzed the management system of Pearl Continental Hotel Rawalpindi & Sabro Manufactures Inc.
- Finger-Print recognition in Matlab

EXTRA CURRICULAR ACTIVITIES

- Director Media NUST Community Services Club
- Executive Council Member of NUST Volunteer's Club
- Organizer Cultural Night 2010(Multimedia Head)
- Organizer Farewell 2010 (Multimedia)
- Organizer NUST Olympiad 2009
- Vice-Chair IEEE Publication Communication Society 2010
- Organizer Welcome 2009 batch

COMMUNITY INVOLVEMENT

- Been involved in fund-raising and charitable events for the flood victims.
- Been involved in charitable events for children in SOS
- Organizer in Orphans Sports Gala 2012

Adil Bin Shabbir

D-70/5 Officer Mess, PAF Base Chaklala, Rawalpindi
Phone Number: 03442499104
Email: 08bicseashabbir@seecs.edu.pk

CAREER OBJECTIVES

I want to get practical knowledge after completion of undergraduate program. I want to work in the industry with innovative ideas and creativity.

2008-NUST-BICSE-167

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 2.92 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC Marks 797 Fazaia degree College Faisal Karachi
2004 – 2006	SSC Marks 875 Fazaia degree College Faisal Karachi

WORK EXPERIENCE

Internship	PTCL , Satellitown Exchange Rawalpindi Duration: 6 weeks (After 6 Semester)
------------	--

DEVELOPMENT & TECHNICAL SKILLS

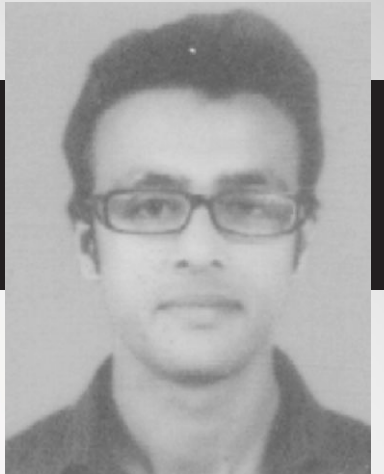

- Languages: C and C++
- Operating Systems: Linux and Windows
- Tools and Techniques: Matlab and Verilog
- Databases: SQL Server
- Hardware & Simulations: ADS and Proteus

ACADEMIC PROJECTS

- (FYP)
- Design and Development of a Tunable Radio Frequency Filter.
- In this project target is to design and develop a prototype of a voltage or current tunable filter for a frequency range of 200MHz to 2500MHz.
- Designed Mobile Based Car
- Compiled a research report on Financial Management and survey of HBL
- Implemented Library Management System

HONOURS & ACHIEVEMENTS

CCNA Training from Corvit

Adnan Naveed

H.No 7/209 Street Jumbo House Alvi chowk Mandi Baha-UD-Din
Phone Number: 0332-4685679
Email: Moni_ravian@hotmail.com

CAREER OBJECTIVES

To develop the responsibilities with my education and related experience, and to secure a responsible position in the capacity where I may contribute for the growth of both prospective industry and myself.

EDUCATION

2008 – 2012	Bachelor of Information and Communication system engineering 2.59/4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2006	HSSC 818/1100 Govt. College University Lahore
2002 – 2004	SSC 734/850 Govt High School M.BDin

DEVELOPMENT & TECHNICAL SKILLS

- Languages : C, C++, Assembly JAVA, Verilog, Matlab
- Operating Systems : Windows, Linux
- Tools and Techniques : Visual Studio, NetBeans, Eclipse
- Databases : MySQL
- Hardware & Simulations Agilent ADS, HFSS, Simulink, Orcade, Keil

ACADEMIC PROJECTS

- WideBand Impedance Matching using Microstrip technology
- A device that is used for maximum power transfer, so that all the data can be transferred from one device to other without any loss of information.
- Student Record Management using C++
- Encrypting and Decrypting Machine, Embedded system Desing
- Digital Dice, Digital Logic Design

HONOURS & ACHIEVEMENTS

1st position in school and 2nd position in district at matriculation level.

COMMUNITY INVOLVEMENT

- Member of Student welfare Society Mandi Baha UD Din (SWAM)
- Executive member of Nust innovative student initiative society (NISI)

EXTRA CURRICULAR ACTIVITIES

Event management, Surveys, Research in radio frequency applications

2008-NUST-BICSE-168

2008-NUST-BICSE-169

Adnan Saleem

Flat 7c, Block 1c, CDA blocks, Sector G-8/1, Islamabad
Phone Number: 03125005253
Email: engnr.adnan@gmail.com

CAREER OBJECTIVES

To pursue intellectual excellence while contributing significantly towards the Operational readiness and competitiveness of a progressive organization. Creativity and innovation will lead me to success and finally Entrepreneurship.

EDUCATION

2008 – 2012	Bachelor of Information and Communication systems Engineering 3.00 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 817 [Punjab College of Science]
2004 – 2006	SSC 654 [Cathedral High School]

RESEARCH EXPERIENCE

oResearch Assistant with Cypress Semi-conductor, USA

WORK EXPERIENCE

Jan/2012-June/2012 Internee at Jabs Solutions pvt Ltd, Islamabad

DEVELOPMENT & TECHNICAL SKILLS

- o Android Programming, C programming, OOP using C++, Java Programming, Verilog HDL, Assembly language
- o Microsoft Windows, MAC OS, Linux
- o Proteus, Multisim, Pspice, MATLAB, Keil, MYSQL, NetBeans, Eclipse, Xilinx, Microsoft Office, Rational Rose, Db Designer
- o AVR ATMEGA, FPGA Spartan/2-Virtex/5, PIC microcontroller, 89c51 controller, DSP kit, ADCS kit, PSoC (Programmable system on chip)

ACADEMIC PROJECTS

- o Traffic E-challan system
- o Project is and electronic challan system for the traffic police. Vehicles will be tagged with NFC tags and traffic policemen will have NFC enabled Android based smart phone. On scanning the NFC tag with the phone, policeman can retrieve basic info about car and on searching from online database he can retrieve every detail about car and driver. Then he can issue E-challan and in turn a very convenient method both for the policeman and public.
- o Portable Spectrum Analyzer for Real Time audio signals using FPGA
- o GSM based Car Security System using AVR ATMEGA16 and SIM300DZ GSM Module
- o Cooling Fan Reliability System using Programmable system on chip
- o Artificially Intelligent Chess Algorithm using Data Structures

COMMUNITY INVOLVEMENT

- o Council member of IAESTE at SEECS.
- o Executive member IEEE SEECS.
- o Organized Orientation session for intake '09, Welcome party for batch '09, '10, IEEE Olympiad '09
- o Orientation Leader for intake '10
- o Participated in IEEE Pakistan Student Congress Annual Session 2010 held at Karachi
- o Head Registration and External affairs in NASTEC 2010
- o Host in the Cultural NIGHT 2010 held at NUST-SEECS
- o Anchor in the Farewell of BATCH 2007

2008-NUST-BICSE-174

Bilal Saleh Khan

House No. 54, J-Block, Model Town, Lahore, Pakistan
Phone Number: 03235145395
Email: 08bicsebsaleh@seecs.edu.pk

CAREER OBJECTIVES

To work as an entry level engineer in an organization, where I can gain additional experience and exposure that will help me in building my career in this field.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Systems Engineering 3.03 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	A' Levels 81 % Pakistan International School (English Section), Riyadh, Saudi Arabia
2004 – 2006	O' Levels 85 % Pakistan International School (English Section), Riyadh, Saudi Arabia

WORK EXPERIENCE

- | | |
|----------------|---|
| 27th July 2011 | Internee at Warid Telecom, Lahore, Pakistan <ul style="list-style-type: none">o Site (BTS) visito Comparative analysis reporto SOM software |
|----------------|---|

DEVELOPMENT & TECHNICAL SKILLS

- o Languages: C, C++, Assembly, Java
- o Operating Systems: Windows, Linux
- o Databases: MySQL
- o Tools: Microsoft Visual Studio, NetBeans, Eclipse, MATLAB, Pspice, Xilinx, Kiel, Proteus, Multisim

ACADEMIC PROJECTS

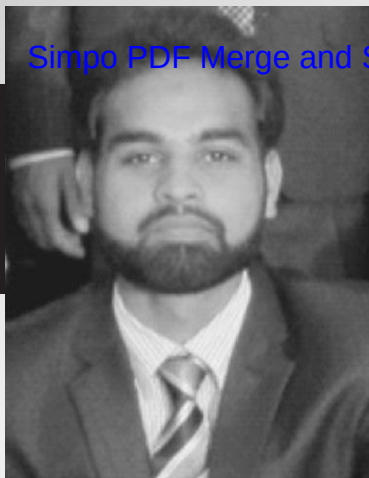

- o A High Performance Multi-Core OpenFlow Compliant Switch
- o Open Flow is a network protocol designed to control and direct traffic among routers and switches from various vendors. It separates the control plane from the data plane in a router and gives the ability to program a router independent of its underlying hardware.
- o Designed a program in Java that detects multiple files on your system
- o Designed a traffic light control system in Verilog

HONOURS & ACHIEVEMENTS

SEECS IQ Guru 2009

EXTRA CURRICULAR ACTIVITIES

- o Table Tennis
- o Jogging

2008-NUST-BICSE-178

Adnan Saleem

Sector # G-9/4, Street # 60, House # 94, Islamabad, Pakistan
Mobile:-0333-5252920
Email: 08bicsefnkhan@seecs.edu.pk.

CAREER OBJECTIVES

Seeking for a challenging position with a progressive and eminent organization, where challenge, opportunity and job satisfaction to build on existing experience and motivation and use it for the company as well.

EDUCATION

2008 – 2012	Bachelor in Information and Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC Islamabad Model College for Boys F-8/4, Islamabad.
2004 – 2006	SSC Islamabad Model College for Boys F-8/4, Islamabad.

WORK EXPERIENCE

June 2010-August 2011	Internship NADRA Headquarter Router Configurations Internship at NADRA Headquarter G-5/2 Islamabad, where I learned many things, such as how to solve runtime problems, How to work with each other to give effective result in required time , CISCO router configuration ,creating VLANs, configuration of juniper firewall, and troubleshooting. The environment at NADRA was really impressive and friendly. Working there gave me direction that I should do something related to networking and develop some more networking skills.
-----------------------	--

DEVELOPMENT & TECHNICAL SKILLS

- Programming Languages: C, C++, MATLAB, Assembly Language, and Verilog.
- Operating System: Windows, Linux
- Tools and Techniques: : Xilinx, HFSS and ADS, AVR, ImageJ, MS Visual Studio 2008, Microsoft Works, Photoshop, Kiel & Laboratory tools.
- Hardware & Simulations: Xilinx Spartan, Livewire, Pspice, MultiSim, Proteus, Microcontrollers and Electronic component.
- Strong Interpersonal skills

ACADEMIC PROJECTS

- Final year project:-Mobile Visual Block Programming (In progress)
- Digital Signal Processing:- FFT Algorithm implementation in Matlab
- Analog & Digital Communication:-Simulation of CDMA in Matlab.
- Database Systems:-Developed a Farm Management System using ADO.Net.
- Signals & Systems:-Compiled a report on working of Cochlear Implants and its simulation in LAB View.
- Embedded Systems:- Intelligent Chess Board Using AVR Atmega16 Microcontroller
- Data Communication & Networking:-Implementation of Huffman Compression Algorithm and Hamming Codes Using C++.
- Microprocessor Systems:-Developed a Spying Robot.
- Fundamentals of ICT:- Studied and Compiled a report on working of Intel processor
- Data Structure and Algorithm:- Developed a Heuristic for chess

EXTRA CURRICULAR ACTIVITIES

- Executive Member NUST-SEECs Media Society.
- House Cricket Captain Sports Gala NUST-SEECs.
- Treasurer ASWAN, ACM student chapter SEECs.
- Executive Member NUST-SEECs Sports Society.
- Head Video Competition at NUST Arts, Science & Technology Exhibition and Competition '10
- Organizer, Youth Leadership Conference.
- Organizer, CDA, NUST & F10 Isloo Footy Mania & NUST Footy.

COMMUNITY INVOLVMENT

- Organizer Funfair for Special Children Rotary Club Rawalpindi.
- Activity Manager Rawalians Flood Relief Program Rawalpindi Medical College, NUST
- Organizer Fund Raising Flood Relief Program ACM

2008-NUST-BICSE6-182

Bilal Saleh Khan

Irshad Electric Store sardar Market Main Bazar Topi District Swabi
Phone Number: 03335930182
Email: 08bicsefarhank@seecs.edu.pk

CAREER OBJECTIVES

To obtain a position within the company that will allow me to utilize my engineering techniques for the benefit of the company as well as for personal growth and professional advancement.

EDUCATION

2008 – 2012	Bachelor of Information & Communication Engineering 3.03/4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	A Levels 2B 2C Roots College international Islamabad
2004 – 2006	O Levels 7A,1D The Fazlehaq College Mardan

RESEARCH EXPERIENCE

- Network Security, Computer Forensics

WORK EXPERIENCE

June-July 2011	◦ Internee at NexTek Services /Islamabad ◦ Integration of pic microcontroller with Xilinx Vertex 5
----------------	--

DEVELOPMENT & TECHNICAL SKILLS

- C/C++,Assembly Language, Verilog
- Linux and Windows
- Microsoft Visual Studio 2010, Emacs, Matlab, Xilinx platform studio
- Atmega 16 & 89c51 microcontroller, Xilinx Vertex 5, Proteus, PSpice

FINAL YEAR PROJECT

- CZARR Networking Utility
- Networking utility to replay stored PCAP files to server , acts as a proxy server and also performs on-line and off-line manipulation packets in a LAN using a scripting language of our own. It shall give the administrator more power of controlling the whole network

ACADEMIC PROJECTS

- JPEG meta data extraction from an image using C
- Error Detection And Correction Using Hamming Code using C
- Huffman Encoding And Decoding using C

HONOURS & ACHIEVEMENTS

SEECs IQ Guru 2009

EXTRA CURRICULAR ACTIVITIES

- Table Tennis
- Jogging

EXTRA CURRICULAR ACTIVITIES

- Logistics head Nastec 2010
- Media Head Youth Leadership conference 2010
- Member Nust Community services Society

COMMUNITY INVOLVMENT

- Organizer at Funfair for special people at F9 Park Islamabad
- Volunteered with flood relief services at Nowshehra (KPK)
- Volunteered at IDP camp Swabi during Swat Operation

2008-NUST-BICSE-183

Junaid Ahmad

Room #317,Block#3,Rumi Hostel,H-12 Sector, NUST ISLAMABAD
Phone Number: +92 345 7778244
Email: 08bicsejahmad@seecs.edu.pk, hja.rana@hotmail.com

CAREER OBJECTIVES

To pursue an outstanding career in the field of Communication and Networking, with a focus towards analysis, design, implementation and troubleshooting of current and upcoming technologies and to build myself as a highly professional and competent person while working in an esteemed organization.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 891/1100 Punjab College of Science, FAISALABAD
2004 – 2006	SSC 939/1050 Anjuman Sabria Sirajia High School, FAISALABAD

RESEARCH EXPERIENCE

- CCNA from CORVIT Solutions.
- Research in IPv4 to IPv6 transition techniques at IPTech Lab, NUST-SEECs.

DEVELOPMENT & TECHNICAL SKILLS

- Assembly, C/C++, JAVA, VerilogHDL, Matlab Programming.
- Windows XP, Windows 7, Linux, Internetworking Operating System.
- Configuration of CISCO Routers.
- Configuration of Vyatta Routers.
- GNS3 for network Topology Testing, Simulation and Verification.
- Network Programming to Implement and automate different network tasks.
- 8051 microcontrollers Programming for implementing Embedded Systems.

ACADEMIC PROJECTS

Final Year Project

- IPv6 Tunnel Broker
- Manual Tunneling is the best transition approach, from IPv4 to IPv6. The Tunnel Broker idea is an alternative approach based on the provision of dedicated servers, called Tunnel Brokers, to automatically manage tunnel requests coming from the users. This approach is expected to be useful to stimulate the growth of IPv6 interconnected hosts and to allow IPv6 network providers to provide easy access of global IPv6 network, to their users.

Semester Projects

- Implementation of CDMA using MATLAB in 6th Semester.
- DOS attack utility in 6th Semester.
- Implementing Digital Lock using 8051 microcontroller in 5th Semester.

HONOURS & ACHIEVEMENTS

- Got Govt. Scholarship in 5th, 8th and 10th.
- Got Govt. BENAVENT Fund Scholarship for 4 years of my Engineering.

EXTRA CURRICULAR ACTIVITIES

- Playing Badminton.
- Playing Cricket.
- Playing Snooker.
- Travelling.
- Hiking.
- Watching Movies.

2008-NUST-BICSE-184

Hafiz Muneeb Ahmad

House no # 108-B, St 54, F-10/4, Islamabad.
Phone Number: +92-331-5304746, +92-51-2102212
Email: 08bicsehmuneeb@seecs.edu.pk, muneeb_ahd@hotmail.com

CAREER OBJECTIVES

To be an innovative professional engineer who possess proficient technical skills and firm understanding of the business world. Be able to perceive needs of society and link them with commercial applications.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Systems Engineering 3.13 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 854 / 1050 Bahria College Islamabad
2004 – 2006	SSC 822 / 1100 Bahria College Islamabad

WORK EXPERIENCE

July-August 2011	Internship NATIONAL INSTRUMENTS, Islamabad: During the internship period, I completed the below:- - LabVIEW and Machine Vision Training from NI. - Gained knowledge and understanding of National Instruments products.
2008-date	- Implemented a real time stereo vision system. - Gave training sessions on LabVIEW and Data Acquisition to customers
2010	Event Director Point Blank Productions: - Organize numerous social events including Conferences, Technical competitions, Concerts, Sport tournaments and Exhibitions. Teaching Assistant NUST-SEECs: - Worked as teaching assistant for the course “computer programming”

DEVELOPMENT & TECHNICAL SKILLS

Languages	C, C++, C#, OpenGL, Assembly Language, SQL, MATLAB & Verilog.
OS	Windows, Ubuntu.
Tools & Techniques	MS Office Tools, MS Visual Studio, MATLAB, XILINX ISE, AVR Studio, Multisim, Proteus, keil, HFSS & ADS, Adobe Photoshop, SOFA, Labview.
Hardwares	Xilinx Spartan, micro-controllers & electronic components.

ACADEMIC PROJECTS

Final year project: Kinect for Therapy

- It is a research base project aimed to develop an interactive game that can be used for the therapy of patients. We plan to bring the clinic to home virtually. We would use Kinect Sensor as an input device and data from sensor would be used to evaluate the exercise and provide assistance and feedback to the patient.

Semester Projects

- Designed Intelligent Chess Board using ATMEGA 16 microcontroller along with VGA interfacing.
- Winner best design heuristic function for chess as a Data structure Project.
- Implemented Mouse and LCD interfacing using FPGA.
- Implemented Huffman & Hamming Compression Algorithms capable of both compressing and decompressing files for Data Communication and Networks.
- 4-bit binary calculator using digital logic design.
- Hotel Management & Transportation management in C++
- Image Stitching in MATLAB for Digital Signal Processing

RESEARCH EXPERIENCE

Research assistant at SMART(Smart machines & robotics Technology) LAB Working on a project “Development of a Tele-Surgical Training Robot & Simulator” in collaboration with Holy Family Hospital, Pakistan, funded by National ICT R&D Fund.

- Worked on computer-based simulations (Surgical simulations).
- Develop a tool for efficient division of tetrahedral mesh for realistic simulation.

HONOURS & ACHIEVEMENTS

- 2011 | President NUST-SEECs Media Society.
- 2012 | House President Sports Gala NUST-SEECs.
- 2010-2011 | President ACM Social Welfare Association for Needy ASWAN.
- 2010-2011 | Executive Member NUST-SEECs Sports Society.

EXTRA CURRICULAR ACTIVITIES

- 2010 | Head Video Competition at NUST Arts, Science & Technology Exhibition and Competition '10
- April-2010 | Organizer, Youth Leadership Conference.
- Organizer, CDA, NUST & Isloo Footy Mania.
- Sports (member Ravi football club Islamabad)
- Camping & trekking.

COMMUNITY INVOLVEMENT

- Organizer Funfair for Special Children Rotary Club Rawalpindi.
- Flood Relief Camps.
- Volunteer work in 2008 earth quake.

2008-NUST-BICSE-187

Hashaam Masood

House # 1/B Officers Colony, Benazir Bhutto Hospital,
Murree Road, Rawalpindi. +923455956295
08bicsehamasood@seecs.edu.pk

CAREER OBJECTIVES

Seeking a challenging position with a reputed company which will require me to utilize and enhance my analytical skills, abilities and experience to ensure the company's success and to contribute to the company's profitability.

EDUCATION

2008 – 2012	Bachelors in Information and Communication Systems Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	Cambridge International Examinations – A Levels FROEBEL'S INTERNATIONAL SCHOOL, Islamabad
2004 – 2006	Edexcel International Examinations – O Levels FROEBEL'S INTERNATIONAL SCHOOL, Islamabad

RESEARCH EXPERIENCE

Certifications: Certified Associate in PLC and SCADA (CAPS)

WORK EXPERIENCE

July-September 2011	Internship FEG-UNESP [BRAZIL]: A research Internship through IAESTE Internship program that involved study of leaves and image processing adapted to leaves and roots analyses using ImageJ software in order to evaluate if they are good biological sensors for environmental effects.
July-August 2010	Internship AIRCOM International: Internship carried out at AIRCOM Product Support Department where the objective was to study network planning and optimization using ASSET & CONNECT
June-July 2006	Internship Standard Chartered Bank: Internship carried out at Operations & Account Opening Departments.
March 2007 – Till date	Managing Director Point Blank Productions: Organize & market numerous social events including Conferences, Technical competitions Concerts, Sport tournaments and Exhibitions.

DEVELOPMENT & TECHNICAL SKILLS

- Languages: C, C++, Open GL, JAVA, Matlab, SQL, Assembly Language and Verilog HDL
- Operating Systems: Windows, Ubuntu, Mac
- Tools and Techniques: Xilinx, HFSS and ADS, AVR, ImageJ, MS Visual Studio 2008, Microsoft Works, Photoshop, Kiel & Laboratory tools.
- Hardware & Simulations: Xilinx Spartan, Livewire, Pspice, MultiSim, Proteus, Microcontrollers and Electronic component.

ACADEMIC PROJECTS

Senior Design project [Kinect for Therapy]

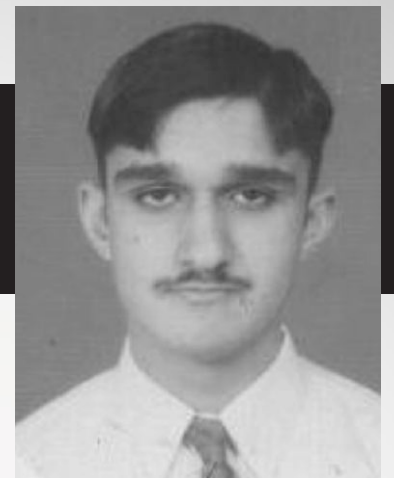

- We plan to bring the clinic to home virtually. A research based project aimed to develop an interactive game for therapy of patients. Kinect sensor would be used as an input device and data from sensor would be used to evaluate and provide assistance to the patients.

Semester projects:

- An Image stitching mechanism implemented in MATLAB
- Designed Intelligent Chess Board using ATMEGA 16 microcontroller along with VGA interfacing
- Coding of Sound by a Cochlear Prosthesis using LABVIEW
- Developed a Heuristic Function for chess as a Data structure Project
- Implemented snake game through Mouse and LCD interfacing using FPGA.
- Implemented Huffman & Hamming Compression Algorithms capable of both compressing and decompressing files for Data Communication and Networks

03219396419
humad1@live.com

2008-NUST-BICSE-189

CAREER OBJECTIVES

To join a professional organization and use my knowledge and skills in the field.

EDUCATION

2008 – 2012	Bachelor of Information & Communication System Engineering 2.40 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2007	HSSC 887 Pakistan Scouts Cadet College, Batrasi
2004 – 2005	SSC 873 Tameer-i-Nau Public School, Mansehra

DEVELOPMENT & TECHNICAL SKILLS

- Assembly Language
- C/C++
- Microsoft Office Professional
- Microsoft Windows XP & Windows 7
- Orcad Capture & P-Spice Simulation
- Proteus
- SQL Database

ACADEMIC PROJECTS

- Electric Power Monitoring Device
- A device which measures power from a source and communicates that measured power to the customer via a GSM Module. The GSM Module is customizable by the customer and provides an interface to the customer for the device via SMS.
- Video & Image Processing In Matlab
- Creating & Querying a database in SQL
- Hospital Database using Microsoft SQL Server

COMMUNITY INVOLVEMENT

- Organizer Funfair for Special Children Rotary Club Rawalpindi.
- Activity Manager Rawalians Flood Relief Program Rawalpindi Medical College, NUST
- Organizer International Raising for Tsunami Victims Froebel's International School
- Temporary Assistant Patient Treatment Analysis World Health Organization (Psychiatric Department Rawalpindi)
- Data Analyst Burn Centre at Holy Family Hospital Rawalians Rawalpindi Medical College Overseas Foundation
- Organizer Alzheimer's Awareness Program. Benazir Bhutto Hospital.

HONOURS & ACHIEVEMENTS

- 2011 – 2012 | **President** NUST-SEECs Government Association
- 2011 | **Chairperson** SEECs Social Media Club
- 2011 | **Executive Member** International Association for the Exchange of Students for Technical Experience
- 2010 – 2011 | **Vice President** NUST-SEECs ACM Student Chapter
- 2010 | **Teaching Assistant** Engineering Economics
- 2009 | **President** ACM Social Welfare Association for Needy (ASWAN)

Damen-e-koh street, Kaghan colony, Mandian, Abbottabad.
Phone Number:0334-8987266
Email: 08bicseijlald@seecs.ed.pk

CAREER OBJECTIVES

Seeking for a challenging position with a progressive and eminent organization, where challenge, opportunity and job satisfaction to build on existing experience and motivation and use it for the company as well.

EDUCATION

2008 – 2012	Bachelor in information & communication system Engineering NUST School of Electrical Engineering and Computer Sciences GPA 3.16 / 4.00
2006 – 2008	F.Sc Pre–Engineering Pakistan International Public School and College, Abbottabad 834/1100
2004 – 2006	Matriculation Pakistan International Public School and College, Abbottabad 840/1050

RESEARCH EXPERIENCE

I am the member of AN-DASH (Applied Networks and data science research Lab) research group.
Ref: andash.seecs.nust.edu.pk

WORK EXPERIENCE

2nd July 2011 to 30th August 2011 Internship in PTCL in switching department

DEVELOPMENT & TECHNICAL SKILLS

- Microsoft Windows XP/Vista
- Microsoft office 2010(MS Word, MS Excel, MS Power point),Microsoft visual studio, N6820E/E3238s (signal surveyor),SMT(Sensor management tool)
- C,C++,C sharp
- My SQL Server ,postgresql
- Matlab 7.0, Xilinx, Proteus, Multisim, Avr Studios

ACADEMIC PROJECTS

- Final Year Project:
 - Detecting and Locating RF Signal Sources Using RF Sensor Network
 - The basic objective of the project is to locate unauthorized use of frequency band, implementation of Auction mechanism and geolocation. This project is combine collaboration of Nust (Seecs) and Agilent technologies.
- Semester Projects:
 - Implementation of Chess game.
 - Cyber Toxin (A website site for firewall testing).
 - Home automation using AVR micro-controllers.

HONOURS & ACHIEVEMENTS

GPA based scholarship

EXTRA CURRICULAR ACTIVITIES

- Organizer for NUST Science and Social Event NASTIC (2010)
- Member of NUST Literary Society
- Member of yellow house football team
- Participated in SEECS Futsal league

2008-NUST-BICSE-193

CAREER OBJECTIVES

To develop the responsibilities with my education and related experience, and to secure a responsible position in the capacity where I may contribute for the growth of both prospective industry and myself.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 2.97 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 795/1100 International School & Collage of Pakistan, Kuwait
2004 – 2006	SSC 827/1050 International School & Collage of Pakistan, Kuwait

RESEARCH EXPERIENCE

IEEE Explorer Summer Internship

DEVELOPMENT & TECHNICAL SKILLS

- Languages: C/C++, SQL, PHP, HTML, Assembly language
- Operating Systems: Windows XP, Windows 7, Linux-Ubuntu
- Tools and Techniques: Dreamweaver, Matlab, Visual Studio, AVR studio
- Databases: MS Access, MySQL, SQL server
- Hardware & Simulations: Pspice, Multi-sim, Xilinx-FPGA

ACADEMIC PROJECTS

- Final Year Project: Eyes on The Road: Traffic Police Assistant
The idea is to develop a system for the Police / Law Enforcement agencies. The system will involve a camera attached to a laptop in the car. The camera scans the license plates of all passing by cars and checks from the database stolen car record. Along with it is an interactive website for the officers to check the violation history of the driver.
 - Removal of noise from background Music using Matlab (Signals and Systems)
 - Anti-Aliasing of Images using Matlab (DSP)Enter Best Semester Project 3
 - Phase Locked Loop (Matlab)

HONOURS & ACHIEVEMENTS

Securing 4th position in team performance in “IEEE Explorer Summer Internship”.

2008-NUST-BICSE-197

Mohsin Nasir

H # 80 St. 17 Sector I-9/1 Islamabad
Phone Number:+923225083004
Email:08bicsemohsinnasir@seecs.edu.pk

CAREER OBJECTIVES

Seeking for a challenging position with a progressive and eminent organization, where challenge, opportunity and job satisfaction to build on existing experience and motivation and use it for the company as well.

EDUCATION

2008 – 2012	Bachelor in Information and Communication System Engineering (2.79 / 4.00) NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 691/1100 F.G. Quaid-e-Azam College Chaklala Scheme 3
2004 – 2006	SSC 832/1050 Siddeeq Public School 6th road Satellite Town Rawalpindi.

RESEARCH EXPERIENCE

Research interests include Computer Graphics, Artificial Intelligence, Visualization and Simulation

Made a tool for XML to CPP Converter for SOFA
(Simulation Open-Framework Architecture)

Working on Realistic mesh cutting algorithms on Surgical Simulations

WORK EXPERIENCE

October 2010- Present	Research Assistant at Smart Machines And Robotics Technology (SMART) Lab, NUST-SEECS, Islamabad, Pakistan Working on Tele-Surgical Training Robot and Simulator (TSRS)
--------------------------	--

July 2010-September 2010	Internship in DATAFOCAL, Islamabad, Pakistan Worked on .NET and web development, graphics designing.
-----------------------------	---

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++, C#, .NET, MATLAB, SQL, OpenCV, OpenGL and Assembly Language.
Tools:	Hands-on experience with SOFA (Simulation Open Source Framework Architecture) Proteus, AVR Studio, MASM, Kiel, MATLAB7, 3ds Max, MS Office, Microcontrollers (89c51, ATmega16), FPGAs (Vertex 5), Xilinx10.1.
Systems:	Windows XP/Vista/7, Linux, Ubuntu, DOS.
Databases:	MS Access, MySQL, SQL
Simulations:	Proteus 7.7, PSpice, Live Wire, AVR studio, Keil.

ACADEMIC PROJECTS

- Cylindrical 3600 Interactive Display (Final Year Project):
- An innovative multimedia based project on which user will be able to see 2D projection in cylindrical screen. The user will also be able to interact with the projected image by a cylindrical Touch Screen system made by lasers. It's a 3600 viewable screen so this project can be view by multiple viewers around the cylinder.
- XML to CPP Converter for SOFA (Simulation Open-Framework Architecture).
- Spying tank (Controlled through video feedback from anywhere in the world through internet).
- Computer Chess Game (Artificial intelligent chess).
- Tele-Surgical Training Robot and Simulator (TSRS).
- Book Store Management System.
- Art Gallery Management System.
- Alien3D Clock using OpenGL.
- SMART multiple copy and paste software for windows XP.
- IR Touch Screen
- DTMF based Telephone Exchange.

EXTRA CURRICULAR ACTIVITIES

- Volleyball, Table tennis, Computer games, Watching movies and creating funny simulations.

COMMUNITY INVOLVMENT

- Member of ACM.
- Organized 3 days hands on workshop on Android Development.
- Organized hands on workshop on Latex.
- Organized hands on workshop on SOFA(Simulation Open Framework Architecture)
- Organized basic C programming workshop.

Muhammad Abubakar

11-A Laqit town Faisalabad
Phone Number:0307-6006241
Email:08bicsemabubakar@seecs.edu.pk

2008-NUST-BICSE-198

CAREER OBJECTIVES

Looking for a challenging as well as responsible job position in a company, where I can learn, increase and implement my technical and programming skills more than my expectations and wants to serve my community.

EDUCATION

2008 – 2012	BICSE Bachlor in information and communication system engineering. NUST School of Electrical Engineering and Computer Sciences
2005 – 2007	F.Sc pre Engineering. Government Science college Samanabad Faisalabad.
2003 – 2005	Matriculation Laboratory high school UAF Faisalabad.

DEVELOPMENT & TECHNICAL SKILLS

- C,JAVA, Mips Assembly.
- Linux
- Microsoft Visual Studio 2008/2010, 3Ds Max, DirectX programming, Linux kernel development.
- Oracle, MySQL, MS-Access.
- Matlab, Xilinx, AVR Studio , Keil u_vision, Proteus 7.7, ADS.

ACADEMIC PROJECTS

- Designing High Performance Multi-core Open-Flow Router
- Developing an application for dumb Cavium-Octeon board at the system level in such a way that the hardware behaves as an Open-Flow enabled router. That operating system-less application in the C language transforms the Octeon board into packet forwarding device in which the routing decision making part is on a separate centralized controller and our router will communicate with controller over a secure channel. The Proposed project will allow developers and network professionals to modify the routing decisions according to their needs.
- Hard disk management utility in java that enable the user to optimally use hard disk without replicating an application again and again.
- IP spoofing application in java for generating attack on networks this application is used only for the testing and evaluation.
- Library Management System using SQL Server.
- Digital Lock using 89C51 Microcontroller in C language

EXTRA CURRICULAR ACTIVITIES

Poetry of Allama Muhammad Iqbal.
Cooking, Robotics.

2008-NUST-BICSE-201

Muhammad Ali

H#142-KK, St#12, Dhok Kala Khan, Shamsabad, Rawalpindi
Phone Number: +92514455416
Email: 08bicsemali@seecs.edu.pk

CAREER OBJECTIVES

I want to learn about the effective utilization of my Programming skills to learn more about the Software Development. As soon as I complete my bachelor's degree I want to practice and demonstrate my skills at a dynamic, challenging and bigger platform so that the outreach of my objectives is possible.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 3.20 / 4.00 National University of Science and Technology
2006 – 2008	Islamabad Model College for Boys F-8/4 Islamabad 766/1100
2004 – 2006	Islamabad Model College for Boys F-8/4 Islamabad 803/1050

WORK EXPERIENCE

July-August 2011	Two month internship under IEEE summer explore in Seecs, NUST My team made a program using ARToolKit (an image processing library) that detected the motion of hand.
------------------	---

DEVELOPMENT & TECHNICAL SKILLS

- o Proficient with C, C++, Verilog and Assembly programming.
- o Familiar with Programming in Windows
- o Proficient with use of Visual Studio, Microsoft Word, Excel and Powerpoint.
- o Worked on different software's i.e. Pspice, Multisim, keil
- o Knows Programming of Atmega16, FPGA Vertex5.

ACADEMIC PROJECTS

- o 360 degree display with touch screen
The project is about providing the user a cylindrical 360° display. The projection system which can be viewed 360° horizontally. The new interface which can be used for presentations, education, entertainment, gaming and many more applications. The user views it from outside, it will be the perfect way to view anything from anywhere from all sides. The user can move around and enjoy the 360 view.

SEMESTER PROJECTS

- o Implemented Huffman compression and decompression in Data Communication and Networking.((2010)
- o Designed a program for chess which returns the next move if current board situation is given as an input in Data Structure course.(2010)
- o Implemented (7,4,3) Hamming error correction code in Data Communication and Networking (2010)

Muhammad Asad

House # 08, Street # 10-G, Block Y, New Multan, Multan
03346043501
08bicsemasad@seecs.edu.pk

2008-NUST-BICSE-202

CAREER OBJECTIVES

To obtain a position that will ensure both personal and professional growth. Where I will use my interpersonal and technical skills to be engaged in challenging endeavors and learning opportunities.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering2.27 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 843/1100 Leadership college, Multan
2004 – 2006	SSC 856/1050 Gove. Iqbal Secondary School, Multan

WORK EXPERIENCE

Internee	Telecom Engineer / office # 278, street 78, F-11/1, Islamabad Installation and commissioning of HUAWEI MW radio RTN 620
----------	---

DEVELOPMENT & TECHNICAL SKILLS

- o CCNA, C, C++, JAVA, Assembly, Advanced Design system (simulation software).

ACADEMIC PROJECTS

Final Year Project

- o Broadband impedance matching technique using microstrip technology.
- o Brief introduction of final year project:
The project is related to radio frequency field. The major task is to devise an impedance matching technique in the band 0.2 GHz-6 GHz to reduce power losses in the circuits.

Semester Projects

- o 1) Traffic Light Control System
- o 2) Hospital Database Management System

HONOURS & ACHIEVEMENTS

Headed storage department in a semester project and got letter of appreciation.

EXTRA CURRICULAR ACTIVITIES

Cricket
Internet surfing
Poetry

COMMUNITY INVOLVMENT

Executive Member IEEE Communication Society (2009-11)
Marketing Coordinator NUST Programming Club (2010-11)
Executive member International association for exchange of students for technical experience (2010-11)

2008-NUST-BICSE-204

Muh'd Asim Mehboob

House # 495/A-9, Street#4, Gulzaib Colony Mumtazabad, Multan
Phone Number: +923236260588

CAREER OBJECTIVES

To develop the responsibilities with my education and related experience, and to secure a responsible position in the capacity where I may contribute for the growth of both prospective industry and myself.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 3.31 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 937/1100 Govt. Emerson College, Multan
2004 – 2006	SSC 944/1050 Nishat Boys High School, Multan

DEVELOPMENT & TECHNICAL SKILLS

Languages:	Assembly Language, C++ , SQL, HTML
Systems:	Windows XP, Windows 7, Linux-Ubuntu
Tools:	MS Visual Studio, Matlab, OpenCv, AVR Studio, Keil, ADS
Databases:	MS SQL Server , mySql, MS Access
Simulations:	Pspice, Multisim, Xilinx

ACADEMIC PROJECTS

Final Year Project:

Eyes on The Road: Traffic Police Assistant

The idea is to develop a system for the Police / Law Enforcement agencies. The system will involve a camera installed in the front / rear of police cars and attached to a laptop in the car. The camera scans the license plates of all passing cars and checks the database for stolen / ticket violation cases and alerts the police in the car.

Semester Projects:

- Removal of noise from background Music using Matlab (Signals and Systems)
- Anti-Aliasing of Images using Matlab (DSP)Enter Best Semester Project 3
- Phase Locked Loop (Matlab)
- DTMF based Telephone Exchange.

HONOURS & ACHIEVEMENTS

Securing 4th Position in Team Performance in "IEEE Explorer Summer 2011"

2008-NUST-BICSE-205

Muhammad Abubakar

House # 21, Street # 3, Mohallah Sarafan, Shahdara Town Lahore.
Phone Number: 0321-4744387
Email: 08bicseawaisb@seecs.edu.pk

CAREER OBJECTIVES

To join a company that offers me dynamic and challenging work environment, excellent career prospects and inspires me to learn and grow in my technical and managerial skills.

EDUCATION

2008 – 2012	Bachelor in information & communication system Engineering NUST School of Electrical Engineering and Computer Sciences 3.19 / 4.00
2006 – 2008	F.Sc Pre - Engineering Govt. College University, Lahore 917/1100 (83.36%)
2004 – 2006	Matriculation - Govt. Central Model School, Lower Mall, Lahore 939/1050 (89.46%)

DEVELOPMENT & TECHNICAL SKILLS

- Microsoft Windows XP/Vista/7, Mac OS
- Microsoft office 2010(MS Word,MS Excel, MS Power point)
- Microsoft Visual C++ 6.0, My SQL Server 2005/2008
- Matlab 7.0, Xilinx, Proteus, Multisim, proteus, Avr Studios.

ACADEMIC PROJECTS

Final Year Project:

Intelligent Farm information System (IFIS): The project aims to develop a system which will provide farmers with the useful information i.e. weather, new fertilizers and pesticides according to their area and crops on their mobile via SMS.

Semester Projects:

- Orthogonal Frequency division Multiplexing(OFDM) Transmission and reception
 - Cyber Toxin (A vulnerable site for firewall testing)
 - Controlling speed of motor using PWM
 - Implementation of Chess game's heuristic function
 - Image Processing in MATLAB

HONOURS & ACHIEVEMENTS

- Director Events at Gamers Colosseum (Seecs gaming Society)
- Two time GPA based scholarship
- Cooking, Robotics.

EXTRA CURRICULAR ACTIVITIES

- Directed a minute movie on the subject of poverty & Education
- Played in SEECS Futsal league thrice from the team sporting isloo.
- Worked as a Hostel mess secretary

2008-NUST-BICSE-206

Muhammad Awais Waris

Permanent address: House #2, Usmania Street, Faisal Park Imamia Colony Shahdara, Lahore.
Current address: House # 95/3, PAF Lower Topa Murree Hills, Murree.
Phone Number: +92-345-9285889 Email: 08bicseawaris@seecs.edu.pk

CAREER OBJECTIVES

I intend to join a prestigious organization which will be surely benefited by my abilities and give me knowledge, recognition, achievement, pleasure and wealth on basis of my skills & capabilities. Furthermore, I would like to enhance my academic learning, through practical implementation.

EDUCATION

2008 – 2012	Bachelor of Information & Communication System Engineering 3.03 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC Grade A Fazaia Inter college Lower Topa, Murree Hills.
2004 – 2006	SSC Grade A+ Fazaia Degree college Risalpur, Nowshera

WORK EXPERIENCE

July26 to Sep 05, 2011	Internee at Pakistan Telecommunication & Authority (PTA)/ F5, Islamabad Key responsibilities were: - o Maintaining the log of complains - o Hardware repairing - o Software installation - o Operating system installation - o Checking server status
June21 to July25, 2011	Internee at InterSES- Network Solution & Services / F11, Islamabad o Work done includes: - o Worked as team lead installation and commissioning of Huawei MW radio RTN 620, RTN950 on Ufone BTS sites. - o Worked as team lead installation and commissioning of NEC MW radio NEC Paso-link, NEC neo on Ufone BTS sites. - o Installation supervision of Hawaii BTS 3900, and outdoor 3900AE. On Ufone BTS sites

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C, C++, JAVA, Assembly, Verilog, MATLAB, Android Development & CCNA Basics.
Tools:	NetBeans, Eclipse & Visual C++
Systems:	Windows & Linux
Databases:	MySQL
Simulations:	Pspice, Matlab, Xilinx vertex 5, Microcontroller, ADS, Kiel, Proteus & Multisim

ACADEMIC PROJECTS

- o Unified Communication Platform(Android Application):
- o Communication between Android devices without a dedicated server or gateway on WLAN. Android devices connect through an Access Point, discover the neighbors and communicate peer 2 peer with their neighbors. WLAN VoIP based Android Dialer communicator using Access Point for the consumption of extra Bandwidth of router and integration with IMS server. IMS (IP multimedia Subsystem) configuration and testing.
- o DBMS: Hospital Database Management System.
- o Software Engineering: Android Scheduling management.
- o FPGA: Petrol pump in Verilog

EXTRA CURRICULAR ACTIVITIES

- o Jogging
- o Badminton
- o Cricket
- o Football
- o Computer Games

COMMUNITY INVOLVMENT

- o Organizer in NASTEC'09
- o Decorator in Entrepreneurship project
- o Participation in Global village.

2008-NUST-BICSE-207

Muhammad Haris Jamil

H no.24, St no. 6 Nizamabad colony, Ghziabad, Mughalpura, Lahore Cantt.
Phone Number:03224588427
Email:harisjamil07@gmail.com

CAREER OBJECTIVES

To Work In Any Telecom Company As An RF Engineer

EDUCATION

2008 – 2012	Bachelor Of Information And Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	F.Sc..... 824/1100 [Forman Christian College, Lahore]
2004 – 2006	SSC 908/1050 [Army Public School Mahfooz Shaheed Garrison]

DEVELOPMENT & TECHNICAL SKILLS

- o Assembly language
- o ADS
- o Pspice
- o PCB designing

ACADEMIC PROJECTS

Analysis and designing of a bandpass filter using coupled line microstrips.
The project is to design an RF bandpass filter having pass band between 5.1 GHz to 5.3 GHz using coupled line microstrips. This frequency range falls in C band of the microwaves which is used for satellite communication transmissions, cordless telephones and whether radar systems. For such communication and transmissions we need a particular band of operating frequency which can be achieved by bandpass filter.

Semester Projects

- o Library management system in OOP using C++.
- o Digital door lock using logic gates.
- o Temperature sensor using 89c51 microcontroller.

HONOURS & ACHIEVEMENTS

- o Certificate for working as a volunteer with Rotary Club.
- o Runners up award for inter Garrison cricket tournament.
- o Awarded certificate for organizing sports day for disabled children on the forum of NUST Community Service Club.
- o Cooking, Robotics.

COMMUNITY INVOLVMENT

- o Member of IEEE (2008-2009)
- o Member of NUST Volunteer Club (2008-2010)

2008-NUST-BICSE-209

Muh'd Hassaan Khan

House No 12/5 Quaid-e-Azam Road Multan Cantt

Phone Number: 0333-6132974

Email: 08bicsemkhan@seecs.edu.pk, mhassaankhan.360@gmail.com

CAREER OBJECTIVES

To join a competing Organization and use the skills I have achieved in the best possible way.

EDUCATION

2008 – 2012	Bachelor of Information & Communication Systems Engineering 2.47 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC Marks 901/1100 Punjab College of Science Multan.
2004 – 2006	SSC Marks 899/1050 LaSalle Higher Secondary School Multan.

RESEARCH EXPERIENCE

Research Paper on Code Division Multiple Access (CDMA) Modulation.

WORK EXPERIENCE

June 2010-present Internee at Powersoft19 Lahore, Pakistan.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++, Assembly Language
Tools:	Microsoft Word, Microsoft Visual C++, Microsoft SQL Server, Rational Rose, Keil uVision, Proteus, MPLAB IDE, Source Insight, Turbo C, ModelSim, PSpice.
Systems:	Microsoft Windows Vista & Windows 7
Databases:	SQL Database
Simulations:	Worked on Atmel 8051 & Microchip 16f877a Microcontrollers.

ACADEMIC PROJECTS

Final Year Project:

Electric Power Monitoring Device

- o This project is aimed to build a device which when attached with the electricity meter measures the power and number of units consumed. The device then communicates the measured information i.e. the number of units and the bill according to the current unit price of electricity to a mobile phone via a GSM Module.
- o Signals & Systems: Taking an Image and passing it through different kind of filters (lowpass, bandpass, highpass) to study the effect. Blurring an image or recreating the original image from blurred image using MATLAB.
- o Digital Signal Processing: Compressing and Decompressing a video using MATLAB.
- o Embedded Systems: Car controlled serially through the keyboard of a Desktop computer.
- o Database Design & Implementation: Hospital Database using Microsoft SQL Server.

COMMUNITY INVOLVMENT

- o Deputy Director Media and Coordinator SEECS at NUST Community Service Club (NCSC)
- o Organized several events for social causes such as Flood Relief and Orphans.
- o Organized a C++ programming Workshop under NCSC in collaboration with Microsoft.

2008-NUST-BICSE-211

Muhammad Junaid

Awan House, Humayun Street, Civil Lines, Gujrat – 50700

Phone Number: 0334-4696869, 053-3607779

Email: 08bicsemjunaid@seecs.edu.pk, muhmd.junaid@gmail.com

CAREER OBJECTIVES

I am looking forward to obtain a position in an organization where I can maximize my skills and gain experience in a challenging environment to create a difference.

EDUCATION

2008 – 2012	Bachelors of Information & Communication Systems Engineering 2.74 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 907 / 1100 Government College University, Lahore
2004 – 2006	SSC 937 / 1050 Pakistan International Public School, Gujrat

DEVELOPMENT & TECHNICAL SKILLS

- o C, C++, OOP, Android
- o Proteus, Multisim, Microsoft Office, Adobe Photoshop
- o MySQL, PostgreSQL

ACADEMIC PROJECTS

- o Detecting & Locating RF Signal Sources Using RF Sensor Network
- o In this project, we are creating a database which stores the locations of all the signal sources communicating in frequency range of 1.3 GHz with the help of RF sensors provided by Agilent Technologies. An algorithm is being designed to determine which frequency bands are free at a particular time and can be allotted (auction mechanism). Also an android application which displays the locations of signal sources on Google maps is also being developed.
- o Electronic Dictionary (Course: Object-oriented programming | Language: C++)
- o Android Scheduler (Course: Software Engineering | Language: Android)
- o Research project: How to improve the performance of Cochlear Implant for native languages e.g. Punjabi, Sindhi etc. (Course: Signals & Systems)

EXTRA CURRICULAR ACTIVITIES

- o Member at NUST Volunteer Club
- o Organizer N@stec, 2011
- o Organizer NUST Olympiad, 2009

COMMUNITY INVOLVMENT

- o Took part in fund-raisers for quake victims in 2005 and flood victims in 2010 and 2011
- o Involved with charitable organization Edhi Foundation during summer vacations 2010.

2008-NUST-BICSE-214

Muh'd Rizwan Zafar

Permanent Address: H-143, Faiz Town, Multan
Current Address: H-1330/9, o/s Lohari Gate, Multan
Phone Number: 0332-608-1282, Email: 08bicserzafar@seecs.edu.pk

CAREER OBJECTIVES

To be a responsible team member for a growth-oriented organization, where I can utilize my theoretical and analytical knowledge. I am currently looking for a full time position in an environment that offers a greater challenge, increased benefits for my family, and the opportunity to help the company advance efficiently and productively.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 2.95 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2005 – 2007	HSSC 850/1100 [WAPDA Cadet College, Tarbela]
2003 – 2005	SSC 691/850 [Nishat High School, Multan]

WORK EXPERIENCE

24-06-2011 to 05-08-2011	MOBISERVE PAKISTAN / Multan I have done internship at MOBISERVE PAKISTAN w.e.f. 24-06-2011 to 05-08-2011 (approximate 1.5 months). In BSS Activity, I got learning and adequate experience of the following terms - Testing BTS equipment i.e. TRE, SUMA Card, ANC (combiner) - BTS commissioning - Feeder Swapping - Clock Activity
--------------------------	--

DEVELOPMENT & TECHNICAL SKILLS

Assembly, C/C ++, Java, Verilog
Windows, Linux
Matlab, Eclipse
MySQL
Pspice, Xilinx, Masm, ADS, Keil, Proteus, MultiSim

ACADEMIC PROJECTS

Unified Communication Platform:

- Project involves communication between mobile devices without a dedicated server. Wireless devices will connect through an Access Point, discover the neighbors and communicate/share the contents. WLAN P2P Dialer integrated with IMS dialer in android and install billing server on IMS.
- Count Down Timer
- Fueling Solution System (FPGA)
- Speech Recognition Software

HONOURS & ACHIEVEMENTS

- Got 1st Position in its Entry Test of Wapda Cadet College, Tarbela

EXTRA CURRICULAR ACTIVITIES

Organizer in NASTEC'09
Finance Controller in
Entrepreneurship Project

2008-NUST-BICSE-215

Muhammad Saim Khan

Current Address: Parliament Lodges, Islamabad
Permanent Address: Village Jhagra, Peshawar
Phone Number: 0300-5912346 Email:08bicsemskhan@seecs.edu.pk

CAREER OBJECTIVES

Keeping in mind the degree I am towards the end of (Bachelor of Information and Communication System Engineering) which is a blend of IT and Telecommunication, I am expecting a job in either the Software industry or the Communications sector. I am expecting a job that shouldn't only help me financially but also help me polish my skills, help me develop intellectually and prepare me for undertaking challenging tasks in the long run.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 3.30/4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	A Levels Edwards College, Peshawar
2004 – 2006	O Levels Edwards College School, Peshawar

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++, CSharp , Java
Tools and Techniques:	MS Office, MySQL, Turbo C, Visual Studio, Eclipse, .NET
Databases:	Sql Server 2008

ACADEMIC PROJECTS

- Final Year Project Electronic Prescribing System, according to the standards of HL7
- GPS Systems Working
- Proximity sensor
- Car Rental Software
- Digital Clock

HONOURS & ACHIEVEMENTS

- Second Best Semester Project Award
- GPA based Scholarship holder

COMMUNITY INVOLVMENT

- Set-up a food stall for charity purpose

2008-NUST-BICSE-217

Muh'd Saqib Sohail

Qtr # J3/8, Jinnah Camp, PAF Base Chaklala, Rawalpindi.
Phone Number: 0334-8274734
Email: 08bicsessohail@seecs.edu.pk

CAREER OBJECTIVES

Looking for a challenging as well as responsible job position in a company, requiring intelligent employees, where I can increase, learn and implement my programming skills more than my expectations.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering NUST School of Electrical Engineering and Computer Sciences.
2004 – 2007	CGPA: 3.32 Fazaia Inter College, Kohat.
2002 – 2004	Fazaia Inter College, Lahore.

WORK EXPERIENCE

Remained Teacher Assistant for Object Oriented Programming Using C++ in Fall '12 & in Fall '10.
Remained Teacher Assistant for Data Structure in Fall '11.
Remained Teacher Assistant for Signals & System in Fall '11.

DEVELOPMENT & TECHNICAL SKILLS

- o C, C++, HTML, PHP, JAVA and Linux Shell Scripting.
- o Windows, Linux, Mac OS X
- o Microsoft Visual Studio 2008/2010, Adobe CS 5 ,ULead Video Studio.
- o SQL Server ,MySQL, Wamp Server.
- o Matlab, Xilinx . AVR Studio , Keil uvision, Proteus 7.7

Databases: SQL Database

Simulations: Worked on Atmel 8051 & Microchip 16f877a Microcontrollers.

ACADEMIC PROJECTS

Designing High Performance Multi-core Open-Flow Router

We have to program dumb Cavium-Octeon board at the system level in such a way that the hardware behaves as an Open-Flow enabled router. That Programmed board or router will communicate with a controller over a secure channel. Actually We are developing an operating system-less application in the C language that transforms the multi core Octeon board into packet forwarding device in which the routing decision making part is on a separate centralized controller that will allow developers and network professionals to modify the routing decisions according to their needs.

- Cyber Toxin using Java, JSP, HTML & My SQL.
- Chess Game Artificial Intelligence using Data Structures.
- Library Management System using SQL Server.
- Prison Management system using OOP in C++.
- Sam Clock using Atmega16 Microcontroller in C language
- Digital Lock using 89C51 Microcontroller in C language

HONOURS & ACHIEVEMENTS

- o Awarded with NUST GPA Based Scholarship twice

EXTRA CURRICULAR ACTIVITIES

Class Representative from last one year.

2008-NUST-BICSE-218

Muhammad Umair

House # NB-145/256 Nazimabad Pindora Rawalpindi.
Phone Number: 092-345-5321315

CAREER OBJECTIVES

An entry level position with any progressive organization, where I can utilize my technical, research, organizational and communication skills into something that is productive for me, company and society.

EDUCATION

2008 – 2012	Bachelors in Information & Communication System Engineering. 2.97 / 4.00 NUST School of Electrical Engineering and Computer Sciences.
2006 – 2008	HSSC 815/1100 Fauji Foundation College for Boys New Lalazar, Rawalpindi.
2004 – 2006	SSC 857/1050 F.G Model School for Boys I-9/4 Islamabad.

RESEARCH EXPERIENCE

- o Research assistant in WISNET research lab (January 2012- present):
- o Currently I am working in Wireless and secure networks laboratory. My area of research is vehicular ad-hoc networks.

WORK EXPERIENCE

July 2011 - August 2011 **Internship in AMMSG Research lab:**
During internship, I ported GSM module with ARM processor kit. I also learned working in a team and with a supervisor. It helped me in improving my communication and time management skills.

January 2012- present **Research assistant in WISNET research lab:**
Currently I am working in Wireless and secure networks laboratory. My area of research is vehicular ad-hoc networks. I am implementing topology control algorithm in Vehicular adhoc networks.

DEVELOPMENT & TECHNICAL SKILLS

- o Languages: C, C++, Assembly, AVR Programming,
- o Operating Systems: Windows, Linux
- o Tools and Technologies: Object oriented programming, data structures, socket programming, databases, Verilog, CCNA training in NUST-SEECs.
- o Hardware and Simulations: MatLab, Keil, Proteius, FPGA's spartan2, vertex5, Microcontrollers 8051,ATMEGA16, Visual studio, Eclipse, Ns 2

ACADEMIC PROJECTS

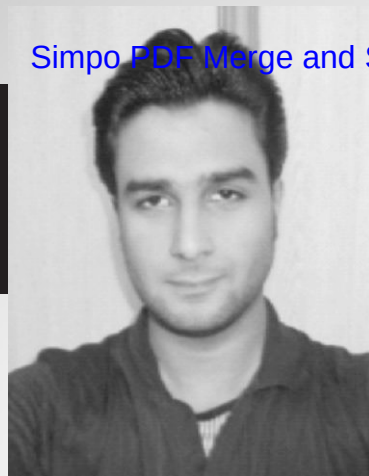

- o **Final Year Project:**
Implementing a Robust Topology algorithm in Vehicular Ad-hoc networks. In vehicular ad hoc networks (VANETs), the topology is highly dynamic due to the movement of the nodes; hence an on-going session suffers frequent path breaks. Disruption occurs either due to the movement of the intermediate nodes in the path or due to the movement of end nodes, demanding for routing protocols aware of frequent topology changes. This project is related to implementing a topology control algorithm in vehicular Ad-hoc networks in order to maximize packet delivery ratio.
- o Android porting on ARM processor kit.
- o Designed chat messenger using socket programming.
- o Designed Analog 2D and 3D clock in OpenGL.
- o Developed a heuristic function for chess game in C++ using Data structures and Algorithms techniques.
- o Face detection in MATLAB.
- o Snake game on FPGA.
- o Designed a Maze solver robot using microcontrollers.

EXTRA CURRICULAR ACTIVITIES

- o Organizer in the Global Village while representing Chinese culture.
- o Organized in NASTEC'011
- o Organized food project in Lake View Park.
- o Got prizes in School Speech competitions.
- o Articles on different topics published in College magazines.
- o Volleyball, basketball and cricket player.
- o Photography.
- o Watching movies.

COMMUNITY INVOLVMENT

- o Fund raising for Flood victims, Swat affected people and for College Mosque.

2008-NUST-BICSE-219

Muhammad Waleed Asif

Asif Aziz , Plant Manager , STM 5 ,Shappire textile mills,
1.5 KM Warbuton Road, Ferozwattwa , Sheikhupura
Phone Number:0334 4310425 Email:08bicsewasif@seecs.edu.pk

CAREER OBJECTIVES

To enhance my skills by challenging working position in a reputable organization where I will have the opportunity of upgrading my knowledge as well as utilize my Technical expertise and Leadership abilities to be a valuable team player which can contribute towards the success of my organization and also towards my personal career development.

CERTIFICATION

Industrial Automation: Certified Associate in PLC and SCADA

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 2.95/4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 897/1050 National model higher secondary school and college for boys, Sheikhupura
2004 – 2006	SSC 891/1100 National model higher secondary school and college for boys, Sheikhupura

WORK EXPERIENCE

1st July-31st August – 2011	NUST-SEECs KTH LAB, Islamabad, Pakistan Intern Designing of Crypto Objects Integration of Java and Visual Studio Developing and invoking DLLs Conversion of Symmetric-Key, Asymmetric-Key, Hash functions and Digital Signature tests into C++ classes
	NUST-SEECs TA for the course of network enterprise and technology TA for the course of ICT fundamentals

DEVELOPMENT & TECHNICAL SKILLS

Languages:	Java, oop ,c++ ,matlab
Tools and Techniques:	Cloud Computing, Amazon ES-2.Windows Azure, CCNA, MS Office, MySQL, Turbo C, Visual Studio, Eclipse
Databases:	MySQL, MS Sql Server

ACADEMIC PROJECTS

Final Year Project:
Smart Physical Access Control Systems (SPACS) using Smart Card/Smart Phones
The idea of the project is to control physical access using smart cards and mobile devices. From user's perspective, a physical access system comprises of a card or token, a door reader which authenticates the card enforces access control policies, a door which is unlocked when entry is authorized. Behind the scene is a complex network of components, data structures, computers and applications that incorporates robust security functionality.

- laundry system with serial communication
- Image processing
- customer information system in Verilog

COMMUNITY INVOLVMENT

Set-up a food stall for charity purpose

EXTRA CURRICULAR ACTIVITIES

Participated in Cooking competition and won it as a team
Actively Participated in Global Village

2008-NUST-BICSE-222

Munawar Masood Khan

House#344, Ammar Shaheed Road, Chaklala Scheme 3, Rawalpindi.
Phone Number: 0333-4171261
Email: munawar1877@gmail.com

CAREER OBJECTIVES

Seek maximum knowledge and become a part of object-oriented organization.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Systems 3.61 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 846/1100 Cadet College HasanAbdal
2004 – 2006	SSC 916/1050 FWO Public School, Chaklala Rawalpindi F.G Model School for Boys I-9/4 Islamabad.

WORK EXPERIENCE

Internship in PTCL-CISCO Lab, Centre for IP Technologies.
The project aimed at making an automated IPV6 tunnel for IPV4 customers enabling them to access IPV6 websites.

Teaching Assistant of Electronics-II course
Teaching Assistant of Analog and Digital Communication System.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C/C++ , Assembly Language
Operating Systems:	Microsoft Windows, Linux
Tools and Techniques:	Microsoft Visual Studio, MATLAB, Avr Studio
Databases:	Microsoft Access, SQL Server
Hardware & Simulations:	PSpice, Multisim, SuperPro, HFSS, Proteus, ADS, FPGA, Xilinx

ACADEMIC PROJECTS

- Final Year Project: Intelligent Farm Information System (IFIS)
- IFIS aims to integrate existing data sources and web services to provide relevant data about crop selection, growth cycles, weather, area under cultivation, fertilizers, pesticides, etc. This data combined with the specific data provided by each individual farmer will be used to give customized and timely advice to maximize crop yield and financial returns for the farmer.
- Implementation of Chess game's heuristic function
- Cyber Toxin (A vulnerable site for firewall testing)
- Embedded digital clock using microcontroller

HONOURS & ACHIEVEMENTS

- Achieved five times GPA based scholarship.

EXTRA CURRICULAR ACTIVITIES

- Table Tennis
- Football

2008-NUST-BICSE-223

Muh'd Saqib Sohail

H-No 18G-1828 POF Wah Cantt Taxila
Phone Number:0313-5390613
Email:08bicsenhassan@seecs.edu.pk

CAREER OBJECTIVES

Looking for Challenging and Responsible working position in the domain of Communication and Information System Engineering, RF Systems, Microwave Devices, Information security, Mobile Development and in Network Administration.

EDUCATION

2008 – 2012 Bachelor of Information and Communication Systems | 3.2 / 4.00
NUST School of Electrical Engineering and Computer Sciences

2006 – 2008 FSC | 852
FG Sir Syed College The Mall Rawalpindi Cantt

2004 – 2006 Matric | 898
[POF Model High School New Gudwal Wah Cantt

WORK EXPERIENCE

20th July 2010-31st Aug 2010 Internee in Communication department / POF, Wah Cantt
Works in Network domain ie; Networking plus server installation

1st July 2011-30th Aug 2011 Internship/School of Electrical Engg and Computer Sciences,Islamabad
Works in Open flow Technology

10th Feb 2012-10th June 2012 Teaching Assistant for Six Months/School of Electrical Engg and Computer Sciences,Islamabad

DEVELOPMENT & TECHNICAL SKILLS

Languages: C,C++ ,OOP,Datastructures, Java, Databases, mysql, Android Programming, Objective c, Verilog, Matlab,Assembly Language
Workshops: CCNA,Iphone Development,Web Development
Operating System: Windows,Linux and Mac

ACADEMIC PROJECTS

Unified Communication Platform

It's a WLAN Peer to Peer and Open IMS Integrator on Android platform. Within a local network You can Chat, Audio Call and Video Call eachother without server involved and outside network you can do the same by using our openims server.

Implementation of Spanning tree topology
Reminder Application in Android
Personal Diary Application in Iphone
Matrix Calculator in visual Studio
Database implementation in C++ and using mysql
Automatic Fueling System in Verilog and using Microcontrollers
Speech Recognition software in matlab
Blurring and Regaining image back software in Matlab
Digital clock in Assembly language

HONOURS & ACHIEVEMENTS

- o Head boy at School level
- o Five times Scholarship Award holder from pof Wah cantt
- o Best Student Award

EXTRA CURRICULAR ACTIVITIES

Member of Yes Club
Among Oganizers of Nastec Competition

2008-NUST-BICSE-225

Numan Bajwa

NUST RUMI Hostels, Block-III, Romm#326
Phone Number: +92-333-5851168
Email:08bicsenbajwa@seecs.edu.pk , bajwa.numan@gmail.com

CAREER OBJECTIVES

To pursue intellectual excellence while contributing significantly towards the operational readiness and competitiveness of a progressive organization. To Become a leading executive in a technology oriented company that strives towards professional excellence and state-of-the-art projects. To choose a career that provides challenging and exciting opportunities.

EDUCATION

2008 – 2012 Bachelors in Information and Communication System Engineering
NUST School of Electrical Engineering and Computer Sciences

2006 – 2008 FSc.
International School, Saudi Arabia

2004 – 2006 Matriculation, Pakistan International School, Saudi Arabia
F.G Model School for Boys I-9/4 Islamabad.

RESEARCH EXPERIENCE

Year 2011

Market research and report compilation of economic sectors

Year 2010

NBP in collaboration with NUST Corporate Advisory Council

Worked as an intern at SMART-Lab NUST

Summer 2009

Internship on Parallel Processing (CEFAR lab ,NUST)

WORK EXPERIENCE

2009 Head of Department: Content creation and Writing at iWrite

DEVELOPMENT & TECHNICAL SKILLS

Languages: (C++, Java, C#, php, HTML)
Tools: (Visual Studio, MS Office, WAMP Server)
Operating System: (Windows, Android, Ubuntu)
Databases: (MYSQL, ORACLE)
Hardware & Simulations: (Microcontroller, PLC SCADA, ISIS, Proteus)

ACADEMIC PROJECTS

FPGA based Spectrum Analyzer

- o GSM Based Car Security System
- o A.I Chess Algorithm

FYP: Digitization of vehicle records in Pakistan using Near Field Communication (NFC) chips and an Android enabled handset. There will also be a server side application that dynamically updates the system and the vehicles latest records. This is an industrial project in collaboration with the Islamabad based Jabs Solutions Inc.

HONOURS & ACHIEVEMENTS

- o Vice-President IEEE-NUST 2010-2011
- o Executive council member and Editor in-chief for the NVC (NUST volunteer club)
- o President AIS-NUST (Association of Information Systems) 2009-2010
- o Captain NUST Debating team
- o Head Delegate NUST MUN team (Best Delegate: 2008, 2011)
- o Award for Outstanding organization of FTTH (Fiber to the Home) Workshop in Collaboration with NUST NRG (Networks Research Group) and Nayatel®
- o Won first prize at APDC 2010 held at EME
- o Won Second prize at King Edward Declamation Contest 2010
- o Award for recognition of services as event organizer and Master of ceremonies by NUST-SEECs

EXTRA CURRICULAR ACTIVITIES

- o Parliamentary Debates
- o MUNs
- o Declamation
- o Reading books and writing
- o Organizing and Managing events
- o Watching movies.

COMMUNITY INVOLVMENT

- o Volunteer work for flood affected IDP's in collaboration with NUST Volunteer's club
- o Setup of computer lab and education services at a remote village (Mera Bhagwal) in collaboration with PYR (Pakistan Youth Revolution)
- o Organizer of Blood Donation camps at NUST throughout 2008-2011
- o Organizer and Master of Ceremonies at N@STEC 2009-2011
- o Team lead at GIMUN 2008-2011

2008-NUST-BICSE-227

Raheel Mustafa Syed

House No. 388, Street 26, Sector E-11/4, Islamabad 44000
Phone Number:+92(51) 229-3982
Email:08bicseraheels@seecs.edu.pk

CAREER OBJECTIVES

To Gain Advanced Expertise And Depth of Knowledge Beyond that Afforded by Undergraduate Studies. Understanding, Investigating, Designing and Developing of Viable Solutions to Interesting and Challenging Areas of Application and Research in Electrical Engineering and Computer Science.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Systems 3.47 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	A-Levels 82% Marks (Cambridge International Examinations, UK) Froebel's International School, Islamabad
2004 – 2006	O-Levels 83% Cumulative Marks (Edexcel International, UK) Froebel's International School, Islamabad

DEVELOPMENT & TECHNICAL SKILLS

Programming Languages (C, Assembly, Verilog HDL, C++, Java, Python)
Scripting & Markup Languages (HTML5, Dreamweaver, PHP)
Operating Systems (Microsoft Windows, Ubuntu)
Tools and Techniques (Microsoft Visual Studio, MATLAB, Octave)
Databases (Microsoft Access, Oracle, SQL Server)
Hardware & Simulations (PSpice, Multisim, SuperPro, HFSS, Proteus, ADS, FPGA, Xilinx)

ACADEMIC PROJECTS

Final Year Project:

Intelligent Farm Information System (IFIS)

IFIS aims to integrate existing data sources and web services to provide relevant data about crop selection, growth cycles, weather, area under cultivation, fertilizers, pesticides, etc. This data combined with the specific data provided by each individual farmer will be used to give customized and timely advice to maximize crop yield and financial returns for the farmer.

Intelligent Machine/Human Chess Player with Reasoning & Heuristics (3rd Semester)
Dynamic Survey Response Data Acquisition System (4th Semester)
CyberToxin Web Application (6th Semester)

HONOURS & ACHIEVEMENTS

- SEECS Academic Merit Scholarship (3rd, 4th, 5th, 6th and 7th Semesters)
- Certificate Course: Building a Search Engine - www.udacity.com (2012)
- Certificate Course: Introduction to Artificial Intelligence - Stanford University, USA (2011)
- Certificate Course: Machine Learning - Stanford University, USA (2011)
- Certificate Course: Introduction to Databases - Stanford University, USA (2011)
- ACM Brainstorm Competition: Brainteaser Division (2010) – Top Position
- Automatic Traffic Controller - Digital Logic Design: Selected for University Project Exhibition (2010)
- Selected as Class Representative (Freshman Year)
- Intel Science Olympiad Regional Award, Best Individual Project in Computer Science (2007)

EXTRA CURRICULAR ACTIVITIES

- IEEE Android Development Workshop (2011)
- ACM Multimedia Workshop (2009)
- Programmer's Club: PHP Workshop (2009)
- Member of Programmer's Club (2008-2011)
- Member of ACM (2008)
- Member of IEEE (2008)
- Second International Conference on Mathematics, LUMS, Lahore (2007)
- Chess, Basketball, Table Tennis

2008-NUST-BICSE-231

Shoaib Rafique

House # NE-1192 Street # 1 Dhoke Farman Ali Chaklala Road, Rawalpindi.
Phone Number: +923136125542
Email:08bicsesrafique@seecs.edu.pk

CAREER OBJECTIVES

Enterprising student with goal to become an innovative professional engineer, who can perceive needs of society and link them with commercial applications.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Systems 3.80 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 855/1100 Fauji Foundation College New Lalazar, Rawalpindi
2004 – 2006	SSC 905/1050 Fazaia Inter College Chaklala Rawalpindi

DEVELOPMENT & TECHNICAL SKILLS

Tools: MS Office, MS Visual Studio 2008/10, MATLAB, Net Beans.
Operating System: MS Windows, MS DOS, LINUX.
Databases: SQL Server 2008, MySQL 2005.
Hardware & Simulations: Xilinx 10.1, Microcontroller 8051, ATMEGA 16.

ACADEMIC PROJECTS

Final Year Project: Database Solution For Law Enforcement Agencies:

A proposed database solution for Pakistani Law Enforcement Agencies. This system will provide a web-based interface to monitor the ongoing criminal activities in the state. It will maintain information like one's personal information, address, assets, social links, travelling history etc. The tools we are using are: MS SQL Server 2008, JSF (Java Server Faces), Facebook API.

- IC tester using ATMEGA 16 for Embedded Systems.
- Data Compression algorithms coding (Huffman & Hamming) for Data Communication.
- Music and Voice separator using MATLAB for Signals & Systems.

HONOURS & ACHIEVEMENTS

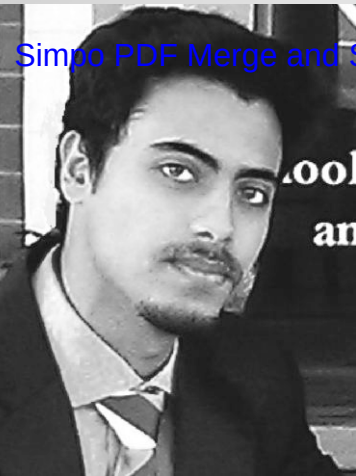

- Organizer, Youth Leadership Conference. (April-2010)
- Organizer, NASTEC '10. (Dec – 2010)

EXTRA CURRICULAR ACTIVITIES

- Movies
- Music
- Volleyball

COMMUNITY INVOLVMENT

- Member of SEECS-NUST IEEE (2008/09)

Syed Mustafa Zaidi

NUST VILLAS house #4 , h12 campus , Islamabad
Phone Number: +923234477921
Email: 08bicseszaidi@seecs.edu.pk , mustapha.hsn@gmail.com

2008-NUST-BICSE-234

CAREER OBJECTIVES

To pursue intellectual excellence while contributing significantly towards the operational readiness and competitiveness of a progressive organization.

EDUCATION

2008 – 2012	“Bachelors in Information and Communication System Engineering” NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	Summer School “ University of South Florida” USA A levels (University of Cambridge International Examination) Saint Mary Academy
2004 – 2006	O levels (University of Cambridge International Examination) The City School

RESEARCH EXPERIENCE

Incoming Cord for IAESTE (The International Association For the Exchange of Students for Technical Experience)	Year 2011
Marketing Cord for IAESTE (The International Association For the Exchange of Students for Technical Experience)	Year 2010
Internship on introduction of Robotics (smart lab ,NUST)	Summer 2009
Internship at Royal Bank OF Scotland	Summer 2008
Summer School at USF (University Of South Florida)	Summer2006

WORK EXPERIENCE

Evangelist Officer at Coeusol Inc.

ACADEMIC PROJECTS

- o Train track security system
- o Car parking system
- o Automated lock

FYP:

Optimization of the network for H-12 campus by making it more efficient that would be providing more available bandwidth and at the same time consuming less power.

HONOURS & ACHIEVEMENTS

- o Purchasing Head in GLOBAL VILLAGE held at SEECS-NUST
- o Executive council member for the NVC (NUST volunteer club)
- o Executive council member for the IEEE (Institute of Electrical and Electronics Engineers)

EXTRA CURRICULAR ACTIVITIES

Football, Hiking, Wall Climbing, Reading books and writing, Reading and Watching National Geographic

COMMUNITY INVOLVMENT

- o Participated in DICE (Digital Innovation, International Conference and Exhibition) 2010 at Institute of Space and technology
- o Organized START-UP inside session on platform of NUST Entrepreneurship club
- o Orientation Leader for NUST (National University of Sciences and Technology) intake '10
- o Organizer of the cultural night held by the NUST , ACM (Association for Computing Machinery)
- o Organizer of NASTEC 2011 at NUST University.

Umair Aziz

House 857 Street 26 G-9/1 Islamabad
Phone Number: +923335396069
Email: umairaziz27@hotmail.com

2008-NUST-BICSE-235

CAREER OBJECTIVES

To find a job that can help me implement my knowledge into something that is productive for the society.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	827/1100 Islamabad Model College For boys F--8/4 Islamabad
2004 – 2006	826/1100 Islamabad Model College For boys F--8/4 Islamabad

WORK EXPERIENCE

July 2011- Aug 2011	Internee at Tranchulas Cyber Security Lab/ SEECS Grabbed the knowledge related to Vulnerability assessment, Backtrack, IDS, Honeypots and Maltego.
Feb 2012- June 2012	Teaching Assistant for the course of Fundamentals of Computer Programming
Feb 2012- Current	Internee at Tranchulas Pvt Ltd Evacuee Trust Complex F5 Islamabad Security Analyzing, penetration Testing, Technical Documentation

DEVELOPMENT & TECHNICAL SKILLS

MS Office, Visual Studio, AVR studio, Linux, MATLAB, Networking Softwares

ACADEMIC PROJECTS

Final Year Project:

Implementation of ISO 27001 in SEECS Data center.The project is to certify NUST-SEECS with the international standard on Information Security. This will make NUST-SEECS the third university in the world to have this certification hence enabling the secure Information security mechanisms.

- o Working of Cellular Systems
- o Designed a Modern Traffic Light Signal using the concepts of Digital Logic Design
- o Designed a Program in C++ for banking security system
- o Developed An application using Socket Programming
- o Risk Management in Project Management

HONOURS & ACHIEVEMENTS

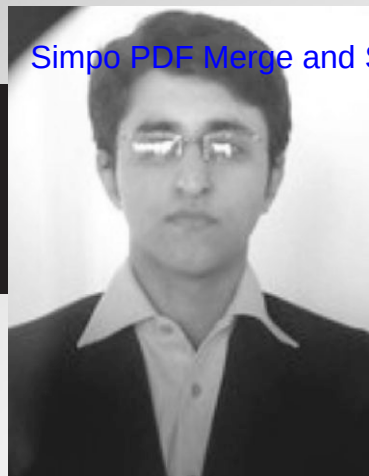

- o Lead my class to win the Global Village while representing Chinese culture.
- o Won Prizes in Essay Competitions held at national level.

EXTRA CURRICULAR ACTIVITIES

- Attendee TEDx NUST, TEDx Margalla, Young Entrepreneurs Conference, TieCon
- Attended workshops on Networking.
- Executive Council Member ACM SEECS
- Organized Many events in SEECS i.e. Youth Leadership Conference, NASTEC 09,10

COMMUNITY INVOLVMENT

- o Fund raising for Flood victims, for Swat Affectees and for College Mosque.
- o Worked under ACM with OSC Schools (<http://www.oscschool.org/>)
- o Volunteer one day work for Special People Funfair

2008-NUST-BICSE-236

Usman Rasheed

Phone Number: 0333-5550833
Email: usmanr01@gmail.com

CAREER OBJECTIVES

To acquire rich experience and to obtain a position that will enable me to use my strong organizational skills, educational background, and ability to work well with people and to achieve personal & professional growth in work.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	Higher Secondary School Certificate (HSSC), F.Sc Forman Christian College(FC),Lahore
2004 – 2006	Secondary School Certificate (SSC), Matriculation, Crescent Model School, Lahore

RESEARCH EXPERIENCE

Working as a Researcher in Centre of Excellence and IP Technologies.

WORK EXPERIENCE

August 1, 2011 to September 20, 2011 **Ufone (PTML) Technical Department**

Working as Ipv6 Consultant in Nust, Pctl & Cisco Lab.

Worked as Teaching Assistant for the course Digital Logic Design, Data Communication and Computer Networks

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C, C++,Java
Operating Systems:	Linux, Windows.
Databases:	Oracle Database 11g (little bit), mySQL.
Development Tools:	Netbeans, Visual Studio

ACADEMIC PROJECTS

- Developing a project of IPv6 Tunnel Broker for Wi-Tribe, NayaTel and HEC
- Has done project for "Simulation of a real world utility store"

HONOURS & ACHIEVEMENTS

- Winner in NCVI Competition held in 2010.
- Winner in EMFT Project Exhibition held in 2011.
- Winner of Digital Logic Design Competition.
- Represented NUST in various international forums including conferences, seminars, meetings etc

EXTRA CURRICULAR ACTIVITIES

Reading, Swimming, Rock climbing, Martial Arts, Taking-on new challenges, Articles Writing

2008-NUST-BICSE-237

Usman Sardar Khan

House#297,Said Pur Road Scheme#1,Rawalpindi
Phone Number: 0333-5268545, 0333-5272104
Email: 08bicseuskhan@seecs.edu.pk, Usman_virgo1989@hotmail.com

CAREER OBJECTIVES

To pursue intellectual excellence while contributing significantly towards the operational readiness and competitiveness of a progressive organization .To works in future as an engineer and successful entrepreneur to solve world's problems through technology.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC Pakistani Islamia Higher Secondary School Al-Ain, UAE
2004 – 2006	SSC Pakistani Islamia Higher Secondary School Al-Ain, UAE

WORK EXPERIENCE

July 2011-August 2011 **Internee at AADC (Al-Ain Distribution Company), United Arab Emirates.**

July 2010-August 2010 **Internee at Time Electro Company, United Arab Emirates.**

DEVELOPMENT & TECHNICAL SKILLS

- C Programming, Object Oriented Programming using C++, Database Management, Rational Rose.
- Proteus, Multisim, Keil, Microsoft Office(Word, PowerPoint, Excel, Project, Access).
- AVR ATMEGA16 , 89C51 , PIC Microcontroller .

ACADEMIC PROJECTS

Final Year Project: Solar Charge Controller

Our goal is to design an efficient, inexpensive Solar Based Maximum Power Point Tracking (MPPT) Charge Controller. Utilizing PWM, analog components and micro-controller the batteries will be charged efficiently, with very little switching noise, combined with the inexpensive manufacturing. The Charge Controller will be able to handle a power of 3000 VA.

- Digital DICE watch. (DLD)
- PWM controlled Motor using 89C51.
- AM transmitter in Analog and Digital Communication systems course
- Temperature sensor using AVR ATMEGA 16.
- Gender recognition using MATLAB.
- Research based project on Inflation
- Analyzed the management system of Pearl Continental Hotel Rawalpindi & Sabro Manufactures Inc.

EXTRA CURRICULAR ACTIVITIES

- Purchasing Head in GLOBAL VILLAGE held at SEECS-NUST.
- Arranged various class trips for out stations..
- Organized START-UP inside session on platform of NUST Entrepreneurship club.
- Organizer in Orientation session for intake '09.
- Organized Welcome party for batch '09, '10.
- Organized Funfair 2009 at NUST-SEECS.
- Organizer in NUST IEEE Olympiad 2009.
- Host in the Cultural NIGHT 2010 held at NUST-SEECS.

COMMUNITY INVOLVMENT

- Been involved in fund-raising and charitable events for the flood victims.
- Been involved in charitable events for children in SOS
- Organizer in Orphans Sports Gala 2012

2008-NUST-BICSE-242

Ameera Akhtar

Modal town house # A/125 Gujrat Pakistan
Phone: +92345 4454048
Email:08bicseaakhtar@seecs.edu.pk, ameera_akhtar@hotmail.com

CAREER OBJECTIVES

- To pursue Research in RF and Wireless Communication.
- To utilize my acquired knowledge for the betterment of my country
- To work in a challenging and dynamic environment where I can get professional grooming along with working innovatively using my technical and personal skills.

EDUCATION

2008 – 2012	Bachelor in Information and communication systems Engineering (BICSE) 3.60 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 892/1100 Fatima Jinnah Degree College GUJRAT
2004 – 2006	SSC 923/1050 Cathedral High School GUJRAT

WORK EXPERIENCE

	Teaching Assistant at NUST-SEECs for the course of Engineering Project Management.
July 4th till August 20, 2011	Internship in Android development at NUST-SEECs

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C,C++,Matlab ,AssemblyLanguage,SQL
Operating Systems:	Windows,Linux
Development Tools:	High Frequency Structure Simulator (HFSS), Proteus Suite (ISIS and ARES), Multisim, PSpice, AVR Studio, Xilinx, Analog and Digital Communication kits.

ACADEMIC PROJECTS

Final Year Project

As a final year project titled “DESIGN AND IMPLEMENTATION OF UWB ANTIPODAL VIVALDI ANTENNA” we focus on design and implementation of an antenna working at the frequency range 3 to 8 GHz.

Semester projects

- Online shopping service in C++ in first semester
- Class management system using OOP
- Chess in Data structures project
- ART gallery management using SQL Server 2008 and windows forms applications for database project.
- LED CHASER GAME in DLD project.
- COMPUTER CONTROLLED CAR.
- Signals project- blurring and sharpening of image using MATLAB.
- LMS and RLS adaptive filters using MATLAB
- SEECs transport management system using C++
- GSM based Advertisement display board.
- Object detection in FPGA.

EXTRA CURRICULAR ACTIVITIES

- Organizer of NASTEC.
- Hosted event of cultural night.
- Participated in workshop related to networks.

HONOURS & ACHIEVEMENTS

- NUST GPA based scholarship in 7th Semester for securing 3.6 GPA.

2008-NUST-BICSE-243

Amna Qandeel

H no. 193, St no. 42, Phase-II, Margalla Town, Islamabad
Phone Number: 0345 5154352
Email:08bicseaqandeel@seecs.edu.pk

CAREER OBJECTIVES

To be a part of a Dynamic, Goal-oriented and Employee caring organization – where I can utilize my Strong Technical and Interpersonal Skills for Organizational and Personal Growth, with a Vision to Achieve Individuality and Continuous Success.

EDUCATION

2008 – 2012	Bachelor of Information and Communications Systems Engg. 3.58 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC Grade A+ FGCW F-7/2, Islamabad
2004 – 2006	SSC Grade A+ Divisional Public School Rawalpindi

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C\C++,OOP, MATLAB, MS SQL., Java, Verilog
Operating Systems:	Microsoft Windows 2000, XP, Solaris and Linux
Tools and Techniques:	MS Project Manager, Multisim, Pspice, Kiel, MATLAB, AVR studio, XILINX, Microsoft Visio, Eclipse
Database:	My SQL
Hardware & Simulations:	AVR Microcontroller, 89C51 Microcontroller, XILINX, DSP Kits

ACADEMIC PROJECTS

ACADEMIC PROJECTS

SENIOR DESIGN PROJECT- Real Time QR code Reader(Mobile + Desktop App)
Scans any Camera Frame for a QR code. Detects and extracts information from it which is later decoded and used in 7 different types of functionalities. The desktop module is a replica of it, with the addition of a QR Encoder.

SEMESTER PROJECTS

- Digital Lock using GSM
- Firewall Testing Application
- Customer Satisfaction under TQM
- Implementation of “Spanning Tree Algorithm” of bridges on Solaris
- Implementation of Heuristic Functions using Data Structures in a Chess Game

HONOURS & ACHIEVEMENTS

- Secured highest merit position in BICSE Batch-08.
- Topped in BICSE-08 batch in the first semester.
- Received Merit Scholarship from RWP Board for SSC and from NUST for GPA above 3.5.
- President Literary Society SEECs SGA 2011-12
- Completed the International Toastmasters 'Leadership Workshop offered at SEECs by Mr.Mohsin Iodhi
- Completed a professional course of Network Security on CISCO Proprietary technologies presented by Mr. Murtaza Khan (CISCO)
- Contributed in Writing Questionnaire for NUST HR Conference 2010.

EXTRA CURRICULAR ACTIVITIES

- Was among the heads of various events that took place in SEECs e.g. Convocation 09, Welcome 10, Olympiad 09, Welcome 2011, and Orientation 11.
- Won Essay Writing and Quiz Competitions during school and college.
- Actively took part in Sports. Was House coordinator and Captain of Basketball team.

COMMUNITY INVOLVMENT

- Conducted various Blood donation campaigns, earthquake/flood relief camps
- Worked in collaboration with Rotary Club in organizing funfair for special children in 2012.

2008-NUST-BICSE-244

Amna Yousaf

House 415, Street 1, I-8/4, Islamabad.
Phone Number: 03005010300
Email: amna.y19@gmail.com

CAREER OBJECTIVES

- To secure a position with a well established organization where I can improve and maximize my skills
- To develop attitudes conducive to effective interpersonal relationships
- To obtain a position that will enable me to use my skills and education
- To develop skills and techniques directly applicable to my career

EDUCATION

2008 – 2012	Bachelor of Information and Communication Systems Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	A Level 805/1100 Beaconhouse School System, Islamabad
2004 – 2006	O Level 670/850 Beaconhouse School System, Islamabad

CAREER OBJECTIVES

Research Paper:

Analysis of Electronic and Biological Parameters for Bio-Medical Device used for Muscle Tissue Therapy (APEMC Singapore '12)

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++, MATLAB, VHDL
Operating Systems:	Windows XP/Vista/7, Linux
Tools:	visual studio, Turbo C, Microsoft visio. AVR studio
Databases:	SQL server.
Development Tools:	Proteus Suite ,Multisim, Pspice , Xilinx, ADS, HFSS

ACADEMIC PROJECTS

“Study, Design , Fabrication And Implementation Of Bio-Electronic Device For Muscle Tissue Therapy”

To build an electronic device able to generate small electrical impulses which inhibit pain signals and decrease pain input to the brain. To devise a new theory of electromagnetism for performing TENS based on research. We will find out the technical specifications of the electronic device like frequency, voltage, electric current. The end product includes both the software and the hardware part.

- Design and Implementation of Payphone using virtex-5
- Design and implementation of a scrolling message display using Atmel 89c51
- GSM based home security system

EXTRA CURRICULAR ACTIVITIES

- Attended and participated in all the seminars held in SEECs
- Organizer of IEEE Orientation Day(2009)
- Organizer of Funfair '09
- Organizer of IEEE cultural night
- Executive member of program and activity affairs SGA
- Participated in Sports Gala '11 and '12

HONOURS & ACHIEVEMENTS

- Won 1st position in the Global Village

COMMUNITY INVOLVMENT

- Member of Nust Volunteer Club
- Member of YLC
- Member of Science Society
- Member of Community Service

2008-NUST-BICSE-246

Anum Haroon

H.no 669, st.6, Chaklala Scheme 3, Rawalpindi
Phone Number: 0334-5160688
Email: 08bicseanumh@seecs.edu.pk

CAREER OBJECTIVES

To obtain a secure position at a progressive organization where I can utilize my organization and technical skills , educational background and my abilities to work with people.

EDUCATION

2008 – 2012	Bachelors in Information and Communication Systems Engineering 3.27/4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	83.1% [Roots College International]
2004 – 2006	78.78% [Roots School System]

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C\C++, OOP, MATLAB, MS SQL., Java, Verilog
Operating Systems:	Microsoft Windows 2000, XP, Solaris and Linux
Tools and Techniques:	MS Project Manager, Multisim, Pspice, Kiel, MATLAB, AVR studio, XILINX, Microsoft Visio, Eclipse
Database:	My SQL
Hardware & Simulations:	AVR Microcontroller, 89C51 Microcontroller, XILINX, DSP Kits

ACADEMIC PROJECTS

SENIOR DESIGN PROJECT- Face transformation Android Application

The face transformation consists of three modules namely the detection stage, the classification and the transformation. The face transformation application takes a picture from the camera or chooses from the gallery. It then detects the face in the image. After the detection stage, it classifies the facial feature of the person and then transforms the face into an avatar.

SEMESTER PROJECTS

- Digital Lock (FPGA semester project)
- Doctor's Appointment system (Embedded Systems semester project)
- Firewall Testing Application (Software Engg. Semester project)

HONOURS & ACHIEVEMENTS

- Received Merit Based scholarship in O Levels
- Received Merit Based Scholarship in A levels
- Received GPA based Scholarship.
- Won a Bronze Medal in Table Tennis
- Won Volleyball SEECs championship.
- Won Debating Competition in Olevels
- President of design and display in IEEE(2009).
- Female President of the Yellow house (2012)
- Executive Member of Media Affairs Student Council(2008)
- Completed a professional course of Network Security on CISCO Proprietary technologies presented by Mr. Murtaza Khan (CISCO)

EXTRA CURRICULAR ACTIVITIES

- Captain Volley Ball team SEECs.
- Executive Member Literary Society (2008)
- Participated in RMUN(2008 &2009) and GMUN(2011)
- Hosted on Nust Olympiad, Welcome and farewell party

COMMUNITY INVOLVMENT

- Organized Blood Donation and fund Collection camps for Earthquake/Flood victims.
- Volunteered for Rotary Club.
- Volunteered for Rutgers WPF Pakistan.

2008-NUST-BICSE-247

Arooj Lodhi

House#349,Street#4, Sadder Bazaar, Rawalpindi
Cell #: 0332-6999914
E-mail: 08bicsearoojl@seecs.edu.pk

CAREER OBJECTIVES

I am an energetic and enthusiastic person who enjoys a challenge and achieving personal goals. During my degree I successfully combined my studies with work and other commitments showing myself to be self-motivated, organized and capable of working under pressure. I have a clear, logical mind with a practical approach to problem solving and a drive to see things through to completion. I enjoy working on my own initiative or in a team. In short, I am reliable, trustworthy, hardworking and eager to learn and have a genuine interest in PR.

EDUCATION

2008 – 2012	BE in Information and Communication System Engineering (Majors Telecom and Electronics) 2.79 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	Govt.college for women Kashmir road F.S.C, (B GRADE)
2004 – 2006	Station School No. 1 MATRIC, A+ GRADE

WORK EXPERIENCE

JUN 2011	Internee at SCO Rawalpindi
SEPT 2010	Teacher Assistant at NUST-School of Electrical Engineering Islamabad in Subjects of Electrical Circuit Analysis And C++ programming duration

DEVELOPMENT & TECHNICAL SKILLS

- Programming C++/OOP
- ASP.NET
- Microsoft Office XP/ Linux
- Adobe Photoshop , Flash MX
- ADS (Advance Design Systems)
- HFSS
- MATLAB
- Proteus Suite + AVR Studio
- Xilinx Software & FPGA kit
- Analog and Digital Communication kits.
- Microsoft Visual Studio 2008
- Microsoft SQL Server

ACADEMIC PROJECTS

Final Year Project : TWO WAY GSM TRANSCEIVER

Low Cost GSM Transceiver, aimed to remove RF coverage holes in Weak Coverage Areas. Act as a Repeater and boosts weak signals from BTS.

By using these Transceivers GSM companies can provide coverage in areas with poor reception

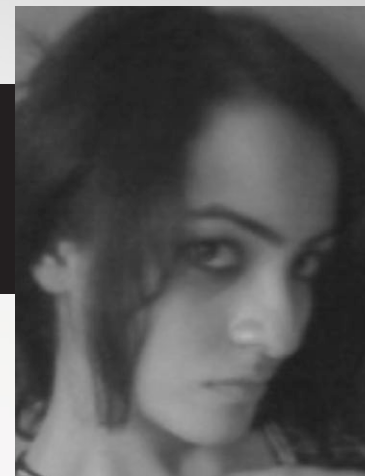

EXTRA CURRICULAR ACTIVITIES

- Take keen interest in debate competitions
- Event Management/ Organizer
- NASTAC 2010 (NUST Islamabad)

COMMUNITY INVOLVMENT

- Actively take part in Charity work, fund raising, other events.
- Earthquake fundraising campaign

- Designing of Directional and Omni Antenna for GSM 1/ GSM 2 Frequency
- Digital Function Generator using Embedded System Designs.(ATMEGA)
- Temperature Controlled Fan using PWM.
- Programmed 89C51 for the keypad and LCD interfacing
- GYM management System in SQL Server 2008 & Windows form applications for web based database.
- Implementation of Spanning Tree Algorithm on Sun's Solaris System.
- Intelligent Chess Player as Data Structures & Design project... winner
- Noise Filtration of Signals using MATLAB

2008-NUST-BICSE-248

Ayesha Zahir

House #:CB5545,Street:2,NewLalazar,Rawalpindi.
Phone Number: +92(306)5288470,
Email: ayes hazahir_49@yahoo.com

CAREER OBJECTIVES

To acquire a challenging position in an environment where I can best utilize my communication, organizational, and problem solving skills.

EDUCATION

2008 – 2012	Bachelors in Information & Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	A Level 865/1100 Beaconhouse School System Margalla Campus, Islamabad
2004 – 2006	O Level 731/900 Beaconhouse School System Margalla Campus, Islamabad

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++ programming in Visual Studio/C++ , JAVA programming for MOBILE(ANDROID SDK) ,MATLAB, Verilog and Open CV.
Operating Systems:	Windows XP/7/Vista and linux
Tools and Techniques:	Visual Studio,TurboC & AVR studio.
Database:	MySQL (DBMS)
Hardware & Simulations:	Pspice, Multisim, Proteus, HFSS & ADS

ACADEMIC PROJECTS

“ Android based Mobile AR Medicopedia ”

This project aims to design, build, and test a Medicopedia that is an Android based real time medical encyclopedia.The user will focus mobile camera video on a human body part (e.g. hand) and the application will detect which body part is selected will superimpose an anatomical layer (skeleton, muscular etc) on the live hand video. Main aim of the application is to facilitate user to readily access anatomical data for learning purpose.

- Discrete Multi-Tone Modulation and Demodulation in ADSL using Matlab
- Made a dll for chess using Data Structures in C++
- GSM based home security system

HONOURS & ACHIEVEMENTS

- Won 1st prize in Global Village with a cash prize worth Rs.30,000.

EXTRA CURRICULAR ACTIVITIES

- Attended and participated in all the seminars held in SEECS
- Organizer of Funfair '09
- Participated in Sports Gala '11 and '12
- Attended Workshop on Android in '011

COMMUNITY INVOLVMENT

- Volunteer at the Fun Fair for Special Childern organized by Rotary Club Rawalpindi
- Internship at BBH Hospital Rawalpindi

2008-NUST-BICSE-250

Faiza Ali

H # 143, Sec#1, STR#1 Airport Employees Housing Society Rawalpindi
Phone Number: 03479087854

CAREER OBJECTIVES

Seeking for a challenging position with a progressive and eminent organization, where challenge, opportunity and job satisfaction to build on existing experience and motivation and use it for the company as well.

EDUCATION

2008 – 2012	Bachelor of Communication System Engineering 3.51 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 852 Islamabad College For Girls F-6/2
2004 – 2006	SSC 878 Public School And College Skardu

WORK EXPERIENCE

June 2011-Aug 2011	Internship at SEECS / H-12, Islamabad Worked on Android development.
--------------------	--

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++, Android, Java, Assembly
Operating Systems:	Windows.
Development Tools:	Eclipse, visual studio, Model Sim

ACADEMIC PROJECTS

- Development of secure email application for Android devices:
- The Application is a secure email client for Smart phones. We are developing it in Android. It Also gives some extended features such as portable address book, storage of encrypted address book contents on proxy server and confirmation messages generation such as message received and opened.

HONOURS & ACHIEVEMENTS

- Got scholarship in 4 semesters.

Hira Ayub

H.no 222, St 6. Phase 4, Bahria Town, Islamabad.
Phone Number: 92-321-5679957
Email: 08bicsehiraayub@seecs.edu.pk

CAREER OBJECTIVES

To be a part of a Dynamic, Goal-oriented and Employee caring organization – where I can utilize my Strong Organizational, Technical and Interpersonal Skills for Organizational Growth. Personal Growth with a Vision to Achieve Individuality and Continuous Success.

EDUCATION

2008 – 2012	Bachelor of Communication System Engineering 2.53 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 803/1100 PAF College, Chaklala
2004 – 2006	SSC 812/1050 Beacon House School System

WORK EXPERIENCE

Jul'2011	Intern at MAC constructions/ Islamabad. Worked as an intern in Finance department on installation of boosters at different sites of Huawei and ZTE telecom projects in MAC Constructions.
----------	---

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C, C++, Verilog, SQL, MATLAB
Tools and Techniques:	AVR, MULTISIM, Proteus, MikroC
Databases:	MySQL, MsAccess

ACADEMIC PROJECTS

Solar MPPT(Maximum Power Point Tracking) Controller

It is an Electronic Based System using MPPT algorithm to control the charging of battery and providing maximum load to the Solar Panels so that they can be used as an Efficient Alternative Energy Resource.

Database Design: Online Sales and Purchase System

Computer Programming: Project on Addition, Deletion, and Printing of nodes in a tree.

Project Management: Project on Customer Satisfaction under TQM.

HONOURS & ACHIEVEMENTS

- Silver Medalist in Athletics in NUST SEECS SPORTS GALA'12.
- Held First Position in Computer Science department of PAF college in HSSC exam.

EXTRA CURRICULAR ACTIVITIES

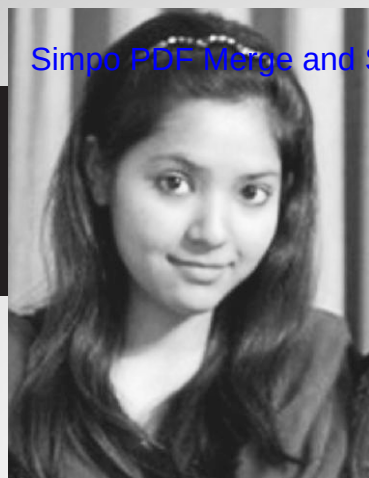

- House Captain of NUST SEECS SPORTS GALA'12.
- General Secretary of NUST SEECS SGA SPORTS committee.
- Hosted the Opening ceremony of NASTEC'11.
- Worked as an Executive Member in Liaison , Publicity, Messing teams of NUST OLYMPIAD, NUST CONVOCATION '09, ALUMNI HOME COMING DINNER , and Open House Job fair '09'
- Worked as a Customer Sales Representative on UK Mortgages in Universal Resources Solutions (URS) in Summer '07.
- Executive Member of Student Council of NUST SEECS.

2008-NUST- BICSE-251

COMMUNITY INVOLVMENT

- Volunteer of Blood Donation Campaign at NUST'11.
- Volunteer of the funfair organized for special children by Rotary Club Rawalpindi.

2008-NUST-BICSE-252

Javaria Malik

H.no CB-1935,street 4.ward 10.Masjid Ameer Hamza,Allahabad,Westridge3,Rwp
Phone Number: 0334 5067762
Email: 08bicsejmalik@seecs.edu.pk

CAREER OBJECTIVES

To work in a Progressive Organization that offers a competitive and challenging environment to fully utilize my professional and academic skills and aid me in pursuing a challenging and rewarding career, which is mutually beneficial.

EDUCATION

2008 – 2012	Bachelor of Information & Communication Systems Engineering 2.76 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 776 [Army Public School]
2004 – 2006	SSC 832 [Beaconhouse School System]

WORK EXPERIENCE

UFONE Enterprise, Islamabad

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C, C++, Matlab, Java, Assembly language, Verilog
Operating Systems:	Windows, Linux, Solaris
Tools and Techniques:	Visual Studios, AVR studio
Databases:	MYSQL, MS access
Hardware & Simulations:	Microcontrollers, FPGAs,, Multisim, Xilinx ,Proteus, , s, Keil, ADS, Pspice

ACADEMIC PROJECTS

- Design of an AC/DC Pure Sine Wave Inverter(Final Year Project)
- The purpose of the project is basically to provide a design and manufactured an AC/DC pure sine wave inverter, which would provide an output voltage of 3kV.
- Software Engg:Semantic Directory Management System
- Data Comm. And Computer Networks: Implementation of Bridge Topology
- Microprocessor Systems:Time Controlled Motor
- Database Design & Implementation:Football Team Management System
- FPGA:Voice controlled Oscilloscope using VGA
- Data Struct. & Algorithms: Implementation of Heuristic Function in a Chess game.

HONOURS & ACHIEVEMENTS

- Topped in Beacon house School in SSC.
- Received Scholarship from School for two years for SSC.

EXTRA CURRICULAR ACTIVITIES

- Creative Writing.
- Photoshop.
- Photography.
- Articlewriting professionally.
- Reading Books on Wide-Ranging Subjects
- Watching seasons and movies.

COMMUNITY INVOLVMENT

- Worked for a social work organization “PAYAAM” and organized may events for it

Kinza Nayab

House no 6-1-c , street 33 , G-7/1 Islamabad
Phone Number: 0334-5046646
Email: 08bicseknayab@seecs.edu.pk, Kinza-nayab@hotmail.com

CAREER OBJECTIVES

Seeking a position to apply my knowledge and skills in a good company and broadly participate in the research, product design, development and testing.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 3.24 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 874/1100 Islamabad Model College For Girls , I-M-C-G F-7/4
2004 – 2006	SSC 933/1050 Islamabad Model College For Girls , I-M-C-G F-7/4

WORK EXPERIENCE

June (2011) – August (2011) **PTCL , Islamabad**
[Networking department]

June (2012) – July (2012) **NUST , Islamabad**
[Networking department]

DEVELOPMENT & TECHNICAL SKILLS

C , C++ , python , Verilog , assembly language
Linux , Windows
Matlab
SQL server
CST, proteous , ADS , Pspice

ACADEMIC PROJECTS

Broadband Coupler design for Wimax application.

This project comes under the domain of RF and Microwaves. It is a research based product along with its hardware implementation. Design frequency is from (2 GHz to 6 GHz)

- Elevator control system
- Digital calculator
- Vending Machine

EXTRA CURRICULAR ACTIVITIES

- Badminton
- Cooking
- Singing

HONOURS & ACHIEVEMENTS

- Scholarship holder from school
- Semester scholarship holder from NUST
- Attended CCNA course

2008-NUST-BICSE-254

Mahzeb Fiaz

House# BXI -14 Mohala Masjid Ghulamshah,PindiGheb , Attock, Pakistan
Phone Number:+92324-5150742
Email: Mahzeb.fiaz@gmail.com

CAREER OBJECTIVES

To secure a position in an organization which helps me polish my technical as well as management skills and helps me grow as an individual.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Engineering 3.57 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 865/1100 Community Model College for Girls PindiGheb
2004 – 2006	SSC 651/850 Oxford Public School Pindi Gheb

RESEARCH EXPERIENCE

I am currently working on a research paper in my Final Year Project, which proposes a more reliable Topology Control protocol for wireless Sensor Networks.]

WORK EXPERIENCE

July 1st 2011- August 31st 2011	MDIC Internship NUST School Of Electrical Engineering and Computer Science, Islamabad, Pakistan Energy auditing of SEECs
------------------------------------	--

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++,OOP, JAVA, Socket Programming, Visual C++, MATLAB, Verilog, Assembly, microcontroller programming, sql, Eclipse
Operating Systems:	Windows, Linux
Tools and Techniques:	HFSS and ADS (Antenna Simulation Software), Proteus, PSPICE
Hardware & Simulations:	PCB designing

ACADEMIC PROJECTS

Software Implementation of Poly3 a reliable Topology Control Protocol for Wireless Sensor Networks

Poly3 is an improvement of Poly, which offers reliability in a wireless sensor network by retaining a polygon around the sink. While Poly retains only one polygon, in Poly3 it is proposed that retaining polygons of size 3 in the whole network will offer more reliability. Poly3 offers reliability throughout the network.

- o AI Chess using data structures
- o Voice Controlled Security Lock
- o POS software for bookstore

HONOURS & ACHIEVEMENTS

- o HEC GPA based scholarship in 3rd,4th, 5th, 6th and 7th semester
- o A-grade in all programming related courses
- o Editor College Magazine 2007

EXTRA CURRICULAR ACTIVITIES

- o Organizer IEEE Equinox
- o Organizer Exylent Workshop

COMMUNITY INVOLVMENT

- o Voluntary work for Out of School Children (OSC)

2008-NUST-BICSE-255

Maleeha Najam

House No. 80_A , Lane No. 5, Askari 10 ,Rawalpindi
Phone Number: 0300-5058401
Email: 08bicsemnajam@seecs.edu.pk

CAREER OBJECTIVES

To work in an environment that will help me to gain more knowledge and expertise in the areas of communication and networks.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 3.09 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 838/1100 Fauji Foundation College for Girls, Rawalpindi
2004 – 2006	SSC 913/1050 Fauji Foundation College for Girls, Rawalpindi Islamabad Model College For Girls , I-M-C-G F-7/4

WORK EXPERIENCE

June 2011- Aug 2011	NUST School of Electrical Engineering and Computer Sciences ,Islamabad Internship in OpenFlow that is software defined networking. Programmed the NOX controller for controlling single switch and multiple switches as well as for doing static routing.
------------------------	---

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C, C++, JAVA, Assembly, Verilog , MATLAB, SQL, PYTHON
Operating Systems:	Windows ,Linux , Solaris
Tools and Techniques:	Visual Studio, Netbeans, Turbo C, AVR studio
Databases:	MYSQL , MS access
Hardware & Simulations:	Microcontrollers, FPGAs,, Multisim, Xilinx ,Proteus, ,Keil, ADS, Pspice

ACADEMIC PROJECTS

Final year project :

Developed a traffic classification filter for network management and optimization. This tool is capable of segregating the known traffic protocols and applications from the unknown proportion of the bandwidth .It is providing a user friendly graphical interface and also an option to the user to see the detailed report of the protocols and applications used in the network .

Data Structures and Algorithms: Implementation of heuristic functions of chess using OpenGL

Software Engineering: Directory Management using JAVA and SQL

Data Communication and Computer Networks: Implementation of spanning tree algorithms on Solaris.

EXTRA CURRICULAR ACTIVITIES

- o Learning new tools and techniques of Adobe Photoshop.
- o Making posters and animations using various tools.

Maryam Khalid

House # 64, Street#36, E-11/3, Islamabad, Pakistan.

2008-NUST-BICSE-258

CAREER OBJECTIVES

To develop expertise in the application of theory to practical work situations, develop skills and techniques directly applicable to my career.

EDUCATION

2008 – 2012	Bachelor of Information and communication system engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	A-Levels(Science) O.P.F Girls College Islamabad
2004 – 2006	O-Levels(Science) O.P.F Girls College Islamabad

WORK EXPERIENCE

Jul-2010 – Sep - 2010 (3 months)	Schlumberger/Pakistan Intern (IT)
sep-2012 – jan- 2012 (5 months)	NUST-SEECs/Islamabad Teaching Assistant

DEVELOPMENT & TECHNICAL SKILLS

- Java, .NET, TurboC, C++, C# ,MATLAB, XML, Verilog & assembly.
- Proficiency in Microsoft Office suite.
- Windows, Linux (Ubuntu), Android.
- Proficiency in SQL, MYSQL, Oracle, MS access, IIS and WAMP webserver
- Pspice, Multisim, Proteus, Eclipse, Adobe Flash, HFSS, ADS, AVR studio, Xilinx, Labview, GNS3, Cisco Packet Trace, GCC, AVR studio & Netbeans.

ACADEMIC PROJECTS

Mobile AR Medicopedia.

This project aims to design, build, and test a Medicopedia which is an Android based real time medical encyclopedia. With this application, user will focus mobile camera video on a human body part (e.g. hand) and the application will detect which body part is selected will superimpose an anatomical layer (skeleton, muscular etc) on the live hand video.

- Accomplished a Chess Game Artificial Intelligence using Data Structures & OpenGL.
- Discrete Multi-Tone Modulation and Demodulation in ADSL using Matlab
- GSM based home security system
- Design and implementation of cochlear implant in Lab view

HONOURS & ACHIEVEMENTS

- Class Girl's Representative from 2009-2012.
- Head Girl in High School in year 2003 & 2007.
- Group leader for SNS project, “cochlear implant in Lab view” in 5th semester and Database Design and implementation project, “vehicle insurance database system” in 4th semester.

EXTRA CURRICULAR ACTIVITIES

- Global Village
- Our class represented China and won 1st prize worth Rs 30,000/-

Workshops

- CCNA (R&S) certification
- 3 Day hand on Workshop on Android by IEEE-SEECs

Maryam Sajjad

H. no #66(1st floor), St# 3, Jan colony, Bostan khan road, Chaklala Scheme 3 Rawalpindi

2008-NUST-BICSE-259

CAREER OBJECTIVES

Seeking the challenging position in any company or institute where there is a chance of growth and prosperity.

EDUCATION

2008 – 2012	Bachelor of Information And Communication System Engineering 3.49 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 872/1100 Sir Syed Science College for Girls Tipu Road Rawalpindi
2004 – 2006	SSC 845/1050 Sir Syed Public School Tipu Road Rawalpindi

WORK EXPERIENCE

Sep 2010- Jan 2011	Teaching Assistant for Electric Circuit Analysis
June 2011-Aug 2011	Android development at SEECs-NUST H-12 Islamabad Done internship in summer 2011, developed an application on android that takes the picture and stores it on Sdcard, posts it on Facebook, image brightness, color contrast and face detection.
Sep 2011- Jan 2012	Teaching Assistant for Data Structure and Algorithm

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C, C++, android, java
Operating Systems:	Windows XP, Windows 7
Tools and Techniques:	Eclipse, visual Studio, matlab
Hardware & Simulations:	Pspice

ACADEMIC PROJECTS

Secure Email System For Smart Phones:

This project is an email application for smart phones in android and java. This application will provide you with all the standard features along with some additional features. These additional features include confirmation messages, efficient attachment handling and protection of address book along with portability. User will receive the confirmation message when the receiver opens or read the user's mail. No one can generate the spam messages on behalf of your address book.

- b)Student Record Management System
- c)Image Processing in Matlab
- d)Orthogonal Frequency Division Multiplexing (OFDM)

HONOURS & ACHIEVEMENTS

- Scholarship holder in different semesters of bachelor's degree.

EXTRA CURRICULAR ACTIVITIES

- Arranged a food stalls.
- Won the cooking competition.

2008-NUST-BICSE 262

2004 – 2006	SSC 916 Army Public School and College Bahawalpur

RESEARCH EXPERIENCE

Currently working on “Introducing the redundancy to achieve reliability in a Wireless Sensor Network”

WORK EXPERIENCE

JULY 4, 2011- Aug 2011	COMMUNICATION SYSTEM PROJECT IN SIMULINK/ Communication and Signal Processing Lab, NUST-SEECs Internship
---------------------------	--

DEVELOPMENT & TECHNICAL SKILLS

- Good knowledge of C/C++, MATLAB and socket programming.
- Windows 7, Windows XP and Ubuntu.
- Worked on atrraya to deploy different network topologies.
- Knowledge of wireless communication standards: GSM, WIMAX.
- Worked on Latex to build report, articles etc.

ACADEMIC PROJECTS

Introducing the redundancy to achieve reliability in a Wireless Sensor Network. Poly3 is an improvement of Poly, which offers reliability in a wireless sensor network by retaining a polygon around the sink. While Poly retains only one polygon, in Poly3 it is proposed that retaining polygons of size 3 in the whole network will offer more reliability. Poly3 offers reliability throughout the network.

- Chat application in data communication and networks using socket programming.
- Bar code reader in digital signal processing using Matlab.
- First to push game in digital logic design.
- Matrix calculator and DVD shop using C++.

HONOURS & ACHIEVEMENTS

- GPA based scholarship on 3.85 GPA.
- Executive Member of NUST-SEECs ACM chapter.

EXTRA CURRICULAR ACTIVITIES

- Organize IEEE EQUINOX in 2011.
- Organize Exylent workshop 2011.
- Member of NUST-SEECs girls' cricket and basketball team.

COMMUNITY INVOLVMENT

- Volunteered my services for Out of School Children (OSC).

2008-NUST-Bicse-263

Saba Mehboob

House#1148, Service Road East, G-10/4, Islamabad, Pakistan
Phone Number:+92(322)5747158, +92(51)2353083
Email: saba.mh@hotmail.com

CAREER OBJECTIVES

To work in a real full-time office environment where I can rub shoulders with the finest and benefit the Employing Organization with my technical abilities, while enhancing my professional skills and knowledge. To be a part of something that is practice of my four years study experience.

EDUCATION

2008 – 2012	Bachelor in Information and Communication System Engineering (BICSE) 3.05 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 807 [F.G College for Women F-7/2, Islamabad]
2004 – 2006	SSC 842 [Islamabad Model College for Girls, F-10/2, Islamabad]

RESEARCH EXPERIENCE

[My Final Year Project is a research based project in which I did research in RF related to bio-electronics and wrote a research paper]

WORK EXPERIENCE

Internee / Ufone, Islamabad
[One month Internship in Information Technology Department.
Learned Data mining algorithms and Data handling on excel sheet]

DEVELOPMENT & TECHNICAL SKILLS

Microsoft Office(word,powerpoint,access.excel,visio,project,), Matlab, C++,assembly language, verilog, UML, SQL, Socket programming, Multisim/PSpice, proteus, Mplab, Visual studio, Oracle, Teamwork, Presentation Skills, Leadership, Report Writing

ACADEMIC PROJECTS

[Study, Design , Fabrication and Implementation of Bio-Electronic device for muscle Tissue Therap]
[It is a project which includes research, hardware and testing part of electronic device used for muscle tissue therapy.]

Messenger with file transfer and chatting application	Socket programming
Huffman Compression/Decompression	C++
Area Wrapper And Path Clearer Robot	C++, AVR Atmega16

HONOURS & ACHIEVEMENTS

- Stock Exchange (Case study: Islamabad Stock exchange)
- News Management (Project of Project Management, Case Study: Geo Office, Waqt News Channel)
- Mega project of Organizational Design and Behavior in which there was a cooking competition of two classes and how to behave in a team, i-e team building, presentation, décor, time management etc.
- Error Correction with the Hamming Code in data communication and computer networks.

EXTRA CURRICULAR ACTIVITIES

- Organized Global village at SEECs, represented China and got 1st prize in university.
- Basket ball, badminton.
- Got 2nd Prize in All Islamabad Schools Ghazal Competition.
- Active participation in all university functions.

COMMUNITY INVOLVMENT

- Member of Creative Arts Society (NSEECs).
- Member of NISI (NUST Innovative Students Initiative)

2008-NUST-BICSE-264

Sadaf Iqbal

House no. 448, Street no. 11 , F-10/2 Islamabad
Phone Number: 051
Email: 08bicsesiqbal@seecs.edu.pk

CAREER OBJECTIVES

To be a part of a progressive organization where I can utilize my professional and technical skills, and which provides a mutual beneficial atmosphere that helps me in persuing a rewarding career.

EDUCATION

2008 – 2012	Bachelor of Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC A Grade Islamabad Model College For Girls F-10/2
2004 – 2006	SSC A+ Grade Islamabad Model College For Girls F-10/2

DEVELOPMENT & TECHNICAL SKILLS

Languages	C\C++,OOP, MATLAB, MS SQL., Java, Verilog
Operating Systems	Microsoft Windows 2000, XP, Solaris and Linux
Tools and Techniques	MS Project Manager, Multisim, Pspice, Kiel, MATLAB, AVR studio, XILINX, Microsoft Visio, Eclipse
Databases	My SQL
Hardware & Simulations	AVR Microcontroller, 89C51 Microcontroller, XILINX, DSP Kits

ACADEMIC PROJECTS

SENIOR DESIGN PROJECT- Face transformation Android Application

The face transformation consists of three modules namely the detection stage, the classification and the transformation. The face transformation application takes a picture from the camera or chooses from the gallery. It then detects the face in the image. After the detection stage, it classifies the facial feature of the person and then transforms the face into an avatar.

SEMESTER PROJECTS

- o Doctor's Appointment system (Embedded Systems semester project)
- o Digital Lock using GSM
- o Firewall Testing Application
- o Implemented “Spanning Tree Algorithm” of bridges on Solaris

HONOURS & ACHIEVEMENTS

- o Completed a professional course of Network Security on CISCO Proprietary technologies presented by Mr. Murtaza Khan (CISCO)
- o Contributed in Writing Questionnaire for NUST HR Conference 2010.
- o Completed Android Application development workshop conducted at SEECS by IEEE.
- o House Coordinator for Yellow House SEECS.

EXTRA CURRICULAR ACTIVITIES

- o Organize IEEE EQUINOX in 2011.
- o Organize Exylent workshop 2011.
- o Member of NUST-SEECS girls' cricket and basketball team.

COMMUNITY INVOLVMENT

- o Conducted various Blood donation campaigns
- o Worked in collaboration with rotary club in organizing funfair for special children in 2012

2008-NUST-BICSE-265

Sammar Askari

House# 292, Sadiq Town, Adyala Road Rawalpindi, Pakistan
Phone Number: +923348511588
Email:: smraskari55@gmail.com

CAREER OBJECTIVES

To pursue my career in a competitive environment where I can apply my knowledge to the best of my abilities through the medium of a well reputed organization with professional environment. My major interest will be to work in an organization where I can apply my Management skills in Information Technology and related disciplines.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Systems Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 798 FG Post Graduate college for Women Kashmir Road, Rawalpindi
2004 – 2006	SSC 869 Viqar-un-Nisa Noon Girls Higher Secondary Institute Rawalpindi.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++, MATLAB, VERILOG
Operating Systems:	Windows XP/Vista/7, Linux
Tools and Techniques:	visual studio, Turbo C, Microsoft visio. AVR studio
Databases:	SQL server.
Hardware & Simulations:	Proteus Suite ,Multisim, Pspice , Xilinx, ADS, HFSS

ACADEMIC PROJECTS

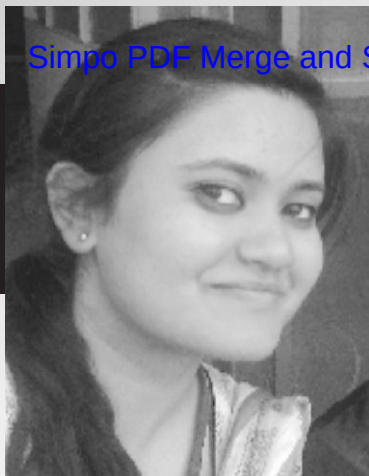

Design and Implementation of UWB Antipodal Vivaldi Antenna

The structure of this antenna is tapered slot line with frequency range of 3 to 8 GHz and the Gain is approximately 6 to 8 dBi with the voltage standing wave ratio less than 2.0. FR4 is the substrate used and all the simulation are done on the HFSS. This antenna is used for many applications such as, satellite communications systems, multi-beam arrays and UWB pulse transmission.

- o Making a DLL for Chess using C++
- o ART gallery management using SQL Server and windows forms applications
- o LED Chaser Game
- o Computer controlled car
- o Blurring and sharpening of image using MATLAB
- o Adaptive Filters and channel estimation using MATLAB
- o Object detection using XILINX.
- GSM based advertisement on LCD

EXTRA CURRICULAR ACTIVITIES

- o Attended and participated in all the seminars held in SEECS3 days workshop on Android Development
- o Organizer of IEEE Orientation Day(2009)
- o Organizer of Funfair
- o Organizer of IEEE cultural night
- o Executive member of program and activity affairs SGA

2008-NUST-BICSE-266

Sara Ali

1-Harro Road, Wah Cantt, Pakistan (47040)
Phone Number:+92-331-5064722
Email:08bicsesaraali@seecs.edu.pk

CAREER OBJECTIVES

To amalgamate my engineering knowledge with my creative writing & effective communication skills.

EDUCATION

2008 – 2012	Bachelor of Information & Communication System Engineering 3.02 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 865 F.G Postgraduate College for Women, Wah Cantt
2004 – 2006	SSC 884 Beaconhouse School System, Wah Cantt

WORK EXPERIENCE

July 2011-Sept 2011	Internee / Pakistan Ordinance Factories, Wah Cantt. Got experience in digital telephone exchange, Power generation and distribution, traffic control systems.
---------------------	--

DEVELOPMENT & TECHNICAL SKILLS

MATLAB,
VERILOG,
P-Spice,
Proteus,
SQL Server
C, C++ Programming.

ACADEMIC PROJECTS

Design and analysis of a Broad Band Directional Coupler for Wimax Applications (2GHz to 6GHz) The objective of the project is to design and analyze a directional coupler that will be able to operate at a wide range of frequencies. The coupler will be implemented on coupled microstrip lines and will be simulated and optimized in ADS. The final optimized layout will be fabricated and tested for its design goals.

- o Quiz Competition
- o DC Motor Controller
- o Elevator Control System

HONOURS & ACHIEVEMENTS

- o Got Merit Scholarship from Federal Government
- o Won speech contests at school level
- o Awarded title of best speaker at university school event

2008-NUST-BICSE-267

Shizra Sultan

H #18, Railway Street, Chaklala scheme # 1, Rawalpindi
Shizra16@hotmail.com
08bicsessultan@seecs.edu.pk

CAREER OBJECTIVES

To work diligently by utilizing my academic training, practical expertise and skills to contribute positively to a fast paced, challenging environment, determine to learn eagerly and execute with commitment.

EDUCATION

2008 – 2012	Bachelor of INFORMATION & COMMUNICATION SYSTEM Engineering] 3.07 / 4.00-NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 71*% [Fazaia Inter College,Kallar Kahar]
2004 – 2006	SSC 81% [Chakwal GrammarSchool,Chakwal]

WORK EXPERIENCE

(Oct2011-Feb 2012)	Fundamentals of C
(Oct2011-Feb 2012)	Data Structures in C++
(Oct2010-Feb 2011)	OOP in C++
(JULY-AUG 2011)	SEECs-NUST Applied Information Security Lab Worked in Network Security (OpenSSL) in C
(JULY-AUG 2010)	SEECs-NUST Digital Signal Processing Lab Worked in Image processing (OpenCV) in C++

DEVELOPMENT & TECHNICAL SKILLS

Languages:	(C,C++,C#, Java) (MATLAB,Octave) (HTML,CSS,PHP,Javascript,JSP), SQL, Verilog, obj C
Operating Systems:	Windows, Linux (Ubuntu), Solaris, Mac OX
Tools and Techniques:	MS Office,Turbo C, Visual Studio.NET, Gcc, Qt, AutoIt
Databases:	MySQL, MS Access MS SQL Server
Hardware & Simulations:	Desktop Applications, Web Development, Mobile Development, Network Security

ACADEMIC PROJECTS

Final Year Project (smart physical access via smart card and smart phone)

The idea of the project is to control physical access using smart cards and mobile devices. The project divided into three major modules: Physical access via smart cards, smart mobile applications & Security Infrastructure Servers

Semester Projects

Data Structures: Coding of Chess integrated with OpenGL
Database & Design: Dictionary Database interface in GUI (integration of C# and MS SQL server)
Data Communication and Networks: Spanning Tree in C (on Solaris)
Software Engineering: Vulnerabilities in cyber securities (coding in Java)
Web Technologies: (additional course) Bug Testing System in PHP
GSM based advertisement on LCD

HONOURS & ACHIEVEMENTS

- o Professional Development Courses
- o Additional Course of Web Technologies I
- o Multicore programming (pThreads, POSIX, CUDA)
WiMax
- o Iphone Development
- o Cloud Computing (Amazon, ES-2Hadoop, Windows Azure, Eucalyptus)

Abdul Waqeel

House # 11/A Abdaal Colony, Main Shabo Road, Chaman Housing Scheme, Quetta.
Phone Number: +923318305509
Email:08bicseawaqeel@seecs.edu.pk

2008-NUST-BICSE-271

CAREER OBJECTIVES

To obtain a position that will enable me to use my educational background and transferable skills to manage and create new opportunities in IT.
Interpersonal Skills:
Analytical, creative and strategy-building capabilities.
Sound experience of working in groups and committee.

EDUCATION

2008 – 2012	Bachelors in Information and Communication Systems Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	Inter Computer Science F G Degree College, Quetta
2004 – 2006	Matriculation Cambridge Secondary School, Quetta

Certifications

Certified Ethical Hacking (CEH)
CISCO Certified Network Associate (CCNA)

WORK EXPERIENCE

June-August 2011	Internship NEX-TEK Services [Islamabad]: -Interfacing a pic microcontroller on FPGA implemented on Xilinx.
------------------	--

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C, C++, HTML, PHP, MATLAB, Assembly Language and Verilog
Operating Systems:	Windows, Linux (Ubuntu)
Tools and Techniques:	MS Visual Studio 2008, MS Office Tools, Proteus, Xilinx, AVR, Multisim, Pspice.
Databases:	MySQL
Hardware & Simulations:	Xilinx Spartan
AREAS OF INTEREST:	Network and Information Security

ACADEMIC PROJECTS

- Semester projects:
- o A voice recognition program implemented in MATLAB
 - o Metadata extraction from a JPEG Image implemented in C
 - o Simulating the AES algorithm for encryption and implementing on ATMEGA 16 Microcontroller
 - o Developed a Heuristic Function for chess as a Data Structure Project (OOP)
 - o Implementing the BLOWFISH algorithm for encryption on FPGA.
 - o Implemented Huffman & Hamming Compression Algorithms capable of both compressing and decompressing files for Data Communication and Networks

HONOURS & ACHIEVEMENTS

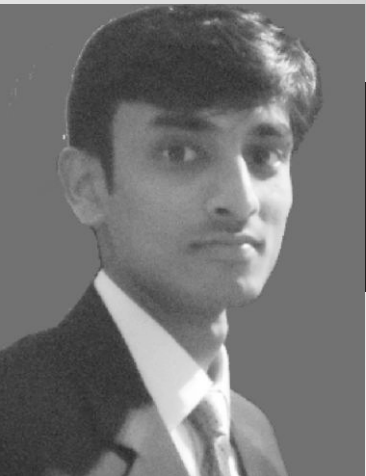

- o 2005 – 2006| Head Student Council Cambridge Secondary School, Quetta
- o 2008 – 2012| Securing ICT R&D Fund Scholarship for studying at NUST
- o 2012| Organizer, Sports Gala, NUST-SEECs
- o 2010| Security Head, NUST Arts, Science & Technology Exhibition and Competition '10
- o April-2010| Liaison Head, Youth Leadership Conference.
- o 2011|Member NUST-HL7 Society

COMMUNITY INVOLVMENT

- o Organizer Funfair for Special Children Rotary Club Rawalpindi.
- o Activity Manager Ziarat Earthquake Relief Program Ziarat, Baluchistan.

Ali Hussain

House # 11/D, Street # 5, Block 'x', Gulshan-e-usman, Rahim Yar Kham, Punjab
Phone Number:0333-7487406
Email:alihussain448@gmail.com

2008-NUST-BICSE-273

CAREER OBJECTIVES

Providing the benefits to organization through my smart working ability, learning more skills and professional experience in the field of software development and networking.

EDUCATION

2008 – 2012	Bachelor of information and communication system engineering 3.08/4.0 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 748/1100 Khwaja Fared Government Post Grad Collage, District Rahim Yar Khan
2004 – 2006	SSC 771/1050 Government Comprehensive school, Rahim Yar Khan.

RESEARCH EXPERIENCE

Research student In NUST PTCL and CISCO Lab, Dec 2010 to June 2011
Deployed Asterisk based VoIP network and integrate it with OpenBTS (GSM) technology. Get hands on experience of CISCO networking devices.

WORK EXPERIENCE

March 2012 to Present	Manager of empowerment department eVillage project eVillage is project of NGO named Pakistan social association. Bring the benefits of ICT to the door step of villages of Pakistan
July to Sep 2011	Internship at PTCL & CISCO Lab SEECs Contributed in the development of ipv6 enabled module for open source framework of router (dd-wrt).
July to Aug 2010	Teaching assistance Helped faculty member in teaching object oriented programming, using C++, and course. Conducted Labs, marked quizzes and assignments etc.
July to Aug 2010	IEEE Xplore summer Internship at SEECs Explored open source telephony software (Asterisk). Deployed and tested mini wifi call-center in H-12 sector, NUST.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	Perl, Python, C#, Java, Php objective-c, C/C++, Unix Shell, Assembly, Verilog
Operating Systems:	Linux (Fedora/Ubuntu/Solaris), Microsoft windows
Tools and Techniques:	Intel parallel studio 2010, Joomla, Latex
Databases:	SQL, PGSql and Microsost Access
Hardware & Simulations:	Proteous, keil, Xilinx
Workshops:	Multicore programming using (OpenMP, Intel ArBB and Java), Android App and iPhone IOS Development, CCNA, NS-2, PIC Microcontroller, Network Security, WiMAX, GSM, MPLS and VolP

ACADEMIC PROJECTS

Final Year Project | Bittorrent Caching Solution
To save the bandwidth, through caching of bittorrent contents ISP (NAYAtel) want some software solution. Our developed solution detects Bittorrent requests, downloads the contents and serves the clients (locally) for subsequent redundant requests. This solution is for NAYATEL (pvt), Islamabad and we deployed it in NAYAtel.
Other Academic Projects

- o Health web service for Tib-E-Nabwi based solutions in java, Php and JSP
- o Spanning tree protocol simulation in on Solaris, in c language.
- o Human Voice compression using Matlab
- o Office status control using x-bee module
- o Artificial intelligence definition for chess game in Data structure subject
- o Banking Management System in C++

EXTRA CURRICULAR ACTIVITIES

- o IT committee ACM SEECs
- o Class representative of Class BICSE6-B at SEECs
- o Web master ACM SEECs
- o Creative videos making workshop at SEECs
- o Organizer N@STEC 2010
- o Organizer NUST Global Village 2009
- o Mobilink & Unilever student development Day
- o Volunteer for Youth Leaders smith (YLS), Islamabad, 2010
- o Athletics and Cricket
- o Trips with colleagues
- o TIEcon 2010, local telecom conference at Islamabad club

COMMUNITY INVOLVMENT

- o eVillage Project
- o Leadership and Creative video making lessons
- o Guiding and helping students in their projects
- o Motivate and guide students of my hometown, Rahim Yar Khan

2008-NUST-BICSE-274

Usama Nazir Khokhar

Phone Number: 0313-3130030
Email:usama.khokher@hotmail.com

CAREER OBJECTIVES

To be associated with a progressive organization that gives scope to update my practical knowledge and skills, in accordance with the latest trends and be the part of the team that dynamically works towards growth of the Organization and to gain satisfaction in the industry.

EDUCATION

2008 – 2012	Bachelor of Information and Communication Systems Engineering 2.56 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 65.18 % G.I.D College.
2004 – 2006	SSC 82.85 % Cathedral Mission School.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C++, object oriented programming, Algorithms, ladder logic and G-graphical language.
Operating Systems:	Windows and Linux
Tools and Techniques:	LabVIEW, SCADA, MATLAB.
Databases:	Structured Query language
Hardware & Simulations:	piece pice, multisim etc.

ACADEMIC PROJECTS

Brain Computer Interface (Bio-Feedback based platform for rehabilitation)

In BCI, we extract EEG signals from the scalp of human brain, we process them and then we transform these processed signals into control signals. It transforms bioelectrical brain signals into control signals. It is based upon navigation in a virtual environment by the output control signals of an EEG-based Brain Computer Interface (BCI). We will move an object in a virtual environment with the help of these control signals.

Enter Best Semester Project 1:“Automatic Room Lock System (Embedded Systems Design)”.

Enter Best Semester Project 2:“Forest Management System (Databases and Management Sciences)”.

Enter Best Semester Project 3:“Image Processing using GUI in Mat lab (Digital Signal Processing)”.

COMMUNITY INVOLVMENT

- o NUST Community Services Club,
- o NUST innovative student
- o Initiative, NUST adventures club

EXTRA CURRICULAR ACTIVITIES:

- o Basketball, Cricket, Badminton and Swimming.

M. Abdul Rehman

Dr. Rab Nawaz, House#2, DHQ Hospital Colony, Dera Ghazi Khan(32200), Pakistan
Phone Number:+92-322-8688813
Email: 08BICSEarehman@seecs.edu.pk

2008-NUST-BICSE-277

CAREER OBJECTIVES

Want to convert the theoretical knowledge that I have gained during my education into practical use for the optimum growth of the company and the country as a whole.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 3.16 / 4.00, NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 961/1100 Government Degree College for Boys, Dera Ghazi Khan, Pakistan
2004 – 2006	SSC 824/1050 Divisional Public School, Dera Ghazi Khan, Pakistan

RESEARCH EXPERIENCE

Member of Research Group named Center of Excellence for Industrial Automation at NUST-SEECs.
Member of Research Lab named CERN Lab (Started in collaboration with well known CERN-Lab) at NUST-SEECs

WORK EXPERIENCE

01-Aug-2011 – 30-Sep-2011	Internship at NEXTEK Services, G-10/4, Islamabad, Pakistan It was a joint venture of NUST-SEECs and NEXTEK-Services. Following tasks were completed in the internship · Verilog Drivers of 16x2 LCD and 240x80 Graphical LCD for FPGA · An FPGA based High Bandwidth Oscilloscope having VGA Interface
01-Oct-2011 – 15-Mar-2012	Teaching Assistant ship at NUST-SEECs Course of Embedded Systems and Design.
01-Aug-2010 – 30-Sep-2010	Internship at NUST-SEECs, Control Lab Worked on Automated Water Demineralization Plant interfaced with PLC. Implemented its SCADA.

October-2009 – Up till now	Research Group Membership at NUST-SEECs Center of Excellence for Industrial Automation in NUST-SEECs.
----------------------------	---

DEVELOPMENT & TECHNICAL SKILLS

Programming Languages:	C, C++, Assembly, Perl, HTML, Ladder logic, Verilog
Operating Systems:	Windows, Linux (Ubuntu, Fedora)
Tools and Technologies:	Socket programming, multi-threaded servers, AVR Programming, databases, Joomla, CCNA Training, Photoshop
Hardware and Simulations:	Mat-Lab, Pspics, Keil, Proteius; Xilinx for FPGA's spartan2 and vertex5; PLCs T100M; Microcontrollers 8051 and ATMEGA16; Visual studio, Eclipse

ACADEMIC PROJECTS

- o Software Solution for Caching of Bit-Torrent Content for NAYATEL-PAKISTAN (FYP)
According to Certain Sources, Bit-Torrent traffic is around 35% of the total traffic of the internet. For an ISP, this amount of traffic means a lot. An ISP can lessen this traffic by implementing a caching mechanism for BTP at the Egress Router, thus conserving the uplink and the downlink bandwidth. This project is done in collaboration with NAYATEL-Pakistan and will be implemented there.
- o Home Automation Using GSM Network with ATMEGA16
Automatic home appliances control using GSM network. Security and interfaces such as LCD, Keypad were covered.
- o Fire Alarm System and alert via GSM
Fire Alarm System using FPGA in Verilog language and alert using cellular network.
- o Chess Game Heuristic having Artificial Intelligence in C++
An Intelligent Chess game heuristic in C++.

EXTRA CURRICULAR ACTIVITIES

- o Member of community named NUST Innovative student initiative at NUST-SEECs.
- o Worked as volunteer in organizing Literary Marathon in NUST-SEECs.

HONOURS & ACHIEVEMENTS

- o Fully funded scholarship from National ICT R&D, Pakistan for the 4-year degree program of Bachelors in Information and Communication System Engineering

HONOURS & ACHIEVEMENTS

- o Participated in CIVIL Defense Program in Dera Ghazi Khan, Pakistan in 2006
- o Participated in Olympics Marathon in Multan, Pakistan

2008-NUST-BICSE-278

Muhammad Faizan Khan

Room # 107 Ghazali Hostels, Block 2,NUST H-12 Islamabad, Pakistan
Phone # +92-313 58 81 348
Email: 08bicsemfkhan@seecs.edu.pk

CAREER OBJECTIVES

I am highly motivated young who can work in any atmosphere and culture. Presentation of innovative ideas, motivation and pressure endurance are factors which leads me to work for any reputable organization. I want to work for organization where I can polish myself as proactive leader.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering 2.73 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 910/1100 F.G Degree College For Boys P.O.F Wah Cantt
2004 – 2006	SSC 953/1050 F.G Boys High School P.O.F Havelian Cantt

RESEARCH EXPERIENCE

Centre of Excellence in Industrial Automation.....NUST SEECS (2010-Present)
Automation of Demineralization of Water Plant using Open Control Software
Analog & Mixed Signal Group (AMSG).....NUST-SEECS (2010-2011)
Output stages of class amplifiers using Cadence Designing tool

WORK EXPERIENCE

(July 1,2011- August 25,2011)	Internee at NEXTEK services & NUST -SEECS / H-12, Islamabad I've implemented HDLC protocol on FPGA. This project was in coloration with NEXTEK Services which is leading military equipment manufacturing industry.
(Aug 28,2010-Sep 20,2010)	Internee at PTCL / Ghazikot, Mansehra I have working experience at Switching Department of PTCL(Pakistan) My task was to understand and configure the EWSD and ZTE which are switching units actually.
(July2010-August27, 2010)	Internee at NUST-SEECS / H-12,Islamabad HMI development of automated Demineralization of Water Plant using open control software.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	English, Urdu (Fluent), Japanese ,French(Basic)
Programming Languages:	Ladder Programming, Assembly, C/C++, Verilog
Operating Systems:	Windows, Linux
Tools and Techniques:	Cadence, Matlab, Open Control Software, Trilogé , Visual Studio, Multi- channel Software, Xilinx ,AVR Studio, Keil

ACADEMIC PROJECTS

Final Year Project:
I have worked on design and hardware implementation of Radar data processing unit. Radar under consideration is mono pulse Doppler radar. The main purpose of this project is to implement radar signal processing algorithms like MTI, CFAR etc to extract the targets information from raw videos. includes Doppler processing and clutter rejection. Project implemented on FPGA. application in military.

Best Semester Projects:

- Automatic Office Status Indicator using AVR microcontroller & Zigbee Alliance
- SMS alert system using GSM Interface with FPGA(Vertix 5)
- Finger Print System using MATLAB

Muhammad Hamid

Village GulMera, P/o Lund Khwar, District Mardan, Khyber Pukhtoonkhwa.

Email:hamid.nustian@gmail.com

2008-NUST-BICSE-279

CAREER OBJECTIVES

To develop the responsibilities with my education and related experience, and to secure a responsible position in the capacity where I may contribute for the growth of both prospective industry and myself.

EDUCATION

2008 – 2012	Bachelor of [Information Communication System Engineering] NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 903/1100 [Government Degree College Mardan]
2004 – 2006	SSC 846/1050 [Government High School Lund Khwar]

WORK EXPERIENCE

JUN And July	Internship In Telenor / Peshawar
--------------	----------------------------------

DEVELOPMENT & TECHNICAL SKILLS

Good Programing in C,C++,Verilog Programing, Assembly Language
Windows, Linux
Jdeveloper, Oracle
SQL Server
Microcontrollers

ACADEMIC PROJECTS

Final Year Project: Next Generation Resource Tracking
Details: Developing a web application in Jdeveloper for tracking and identifying the assets & resources using RFID technology. Oracle is used as storage technology in the Project which provides us databases.

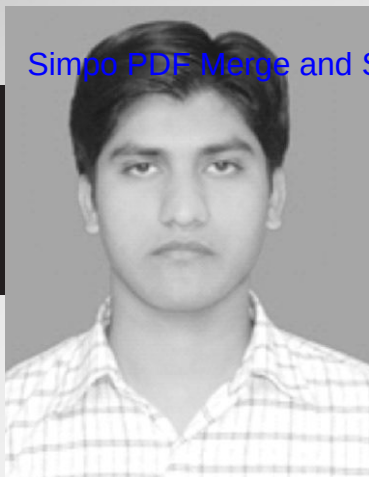

- Web Services in software engineering(Java, Net Beans)
- Aeroplane Ticketing software system(OOP using C++, MS Visual Studio 2006)
- Security system using visiting counter (8051 Micro-controller)

EXTRA CURRICULAR ACTIVITIES

- Playing Cricket
- Table Tennis
- Badminton

HONOURS & ACHIEVEMENTS

- Four Years ICT R&D Fully Funded Scholarship.

2008-NUST-BICSE-280

Muhammad Hassan Khan

Room #107, Ghazali hostels, Block-2, NUST, H- 12 Sector, Islamabad
Phone Number:+92 346 439 2347
Email:mhkhan424@gmail.com

CAREER OBJECTIVES

I am highly motivated young who has keen desire to work with some organization. I can work in any atmosphere and culture. Motivation, reception, innovations and team spirit are the factors which leads me to work for any reputational organization.

EDUCATION

2008 – 2012	Bachelor of Information & Communication System Engineering 2.65 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 890 [Government Postgraduate College, Okara]
2004 – 2006	SSC 829 [Government M.C. High School , Okara]

RESEARCH EXPERIENCE

Implementing VoIP using Asterisk

WORK EXPERIENCE

Fall 2011-January 15, 2012	Teaching Assistant at NUST-SEECs Islamabad I have worked as teaching assistant for “Embedded System Design” course in UG semester Fall 2011.
July 1, 2011- August 25, 2011	Internee at NEXTEK Services & NUST-SEECs Islamabad I have worked on interfacing between SD card and FPGA using SPI. This project was in collaboration with NEXTEK Services which is leading military equipment manufacturing industry.

DEVELOPMENT & TECHNICAL SKILLS

Programming Languages:	Assembly, C/C++, Verilog, MATLAB
Operating Systems:	Windows, Linux
Tools and Techniques:	MATLAB, ADS, HFSS, Proteus, AVR Studio, keil, Xilinx, Multi Channel Software, Visual Studio
Hardware:	Microcontrollers (Atmega16, 89C51), FPGA Vertix 5, DSP kit 6,PCB designing, Digital Communication Board, Analog communication Board, Microwave Trainer

ACADEMIC PROJECTS

Final Year Project:

My Final year project is Ground Based RADAR Simulator. It Creates a signal containing target for RADAR Data Processing Unit. Its main challenge is modeling targets and clutters. It Finds its application in RADAR DPU testing.

Best Semester Projects:

- Home automation using GSM and AVR microcontroller
- SMS Fire alert system using GSM Interface with FPGA(Virtex 5)
- Simulation IEEE 802.11b PHY Layer
- Voice Processing using MATLAB

Chess Game Heuristic Design using Data Structures

HONOURS & ACHIEVEMENTS

- Full Bright scholar in NUST for under graduation from National ICT R& D Fund (Pakistan).[2008-2012]
- Talent Scholarship Holder During Middle, Matriculation & FSC from Foji Foundation
- Nomination for PRESIDENT TALENT FORMING SCHEME [2004]
- Letter of appreciation on team building exercise By MOHSIN LODHI (CEO of MONTANA Computer Systems, Atlantis Premium Water and Team M Consulting)[2011]

COMMUNITY INVOLVMENT

- Volunteer for NUST Social Event Global Village (2009)
- Volunteer for NUST Science and Social Event NASTEC (2010)
- Attended Youth Leadership Summit in Islamabad
- Executive member of an NGO (YGHS)

EXTRA CURRICULAR ACTIVITIES

- Student Delegate at 4th TELECON-2011
- Cricket, Football, Badminton, Basketball & Table Tennis
- Logo design for an NGO(YGHS)

2008-NUST-BICSE-282

Muhammad Mujahid

Chak #233 GB Tehsil Jaranwala District Faisalabad.
Phone Number:03427868685
Email:08bicsemmujahid@seecs.edu.pk

CAREER OBJECTIVES

Seeking a challenging carrier by giving all my skills to my profession and waiting for a initiative role so that I can work in a stimulating environment where I can apply & enhance my knowledge and skill to serve my country to the best of my efforts.

EDUCATION

2008 – 2012	Bachelor of information and communication system engineer 2.24/ 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 702/1100 Govt. College Jaranwala Faisalabad.
2004 – 2006	SSC 884/1050 Govt. Islamia High SchoOl Jaranwala Faisalabad.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C/C++, PHP, C#, HTML, Assembly language.
Operating Systems:	Windows Xp, windows 7, windows vista, Linux.
Tools and Techniques:	Visual studio, Microsoft Office, CSS compiler,AVR Studio, MicroC Pro for PIC .
Databases:	SQL server, My SQL, MS Access.
Hardware & Simulations:	Matlab,embaded System,xilinx

ACADEMIC PROJECTS

Mini Web Server.

Mini Web Server is GPRS/GPS base system which can be function as per user requirement from any web terminal it can also be used to monitor the current and past status of your mobile terminal with location of any remote terminal .it is used for remote data logging currently we are using our mini web Server for Biometrics based attendance management system but it can also be used as a tool for vehicle monitoring and tracking.

- Commando Answers using socket programming and Huffman compression in Data Communication and computer Networks.
- Weekly Planner with calendar in Object Oriented Programming.
- Home automation in embedded systems.

EXTRA CURRICULAR ACTIVITIES

- Good Athlete and Hockey player.

2008-NUST-BICSE-283

M. Rizwan Javed

Mohallah Siddique Pura , St # 6 , Tehsil & District , Narowal
Phone Number: 0334-4899593
Email:m.rizwanjaved@yahoo.com, 08bicserjaved@seecs.edu.pk

CAREER OBJECTIVES

To develop new skills, gain experience and excel in the field of Wireless Communication and Networking by getting involved in healthy research and competitive environment to work for the betterment of society.

EDUCATION

2008 – 2012	Bachelor of Information & Communication System Engineering 3.37 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	823 1100 Govt. Islamia Degree College, Narowal
2004 – 2006	659 850 Govt. High School Narowal

RESEARCH EXPERIENCE

Research work on “ Empirical Analysis of Bandwidth Allocation in WiMAX ”

WORK EXPERIENCE

1st July 2011 to 31st August 2011	Internship at NUST-SEECs Worked on “ Multiple Descriptions for Video Coding ”
6th February 2012 to 8th June 2012	Teaching Assistant of Object Oriented Programming Course Using C++ Provided help to faculty member in conducting labs, checking quizzes and assignments and helping students in developing strong programming skills.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	C , C++ , Java , Assembly , VHDL
Operating Systems:	Windows , Ubuntu
Tools and Techniques:	MS Office , MS Visual Studio C++ , MATLAB , Keil , NetBeans
Databases:	MYSQL
Hardware & Simulations:	NS-3 Simulator , PSpice , Multism , SuperPro , Xilinx ISE HFSS , Proteus

ACADEMIC PROJECTS

Final Year Project

“Empirical Analysis of Bandwidth Allocation in WiMAX”

This project involves implementation of contention based bandwidth request mechanism in NS-3 Simulator, provide simulation based verification of model for bandwidth allocation in WiMAX, and verify the findings of research study.

Semester Projects

- Spanning Tree Simulation on Solaris in Data Communication and Computer Networks (5th Semester)
- Implementation of Chess Game Heuristics Function in Data Structures (3rd Semester)
- 8-bit RISC Processor Implementation on FPGA kit (6th Semester)
- Enter Best Semester Project 1:“Automatic Room Lock System (Embedded Systems Design)”.
- Enter Best Semester Project 2:“Forest Management System (Databases and Management Sciences)”.
- Enter Best Semester Project 3:“Image Processing using GUI in Mat lab (Digital Signal Processing)”.

EXTRA CURRICULAR ACTIVITIES

Seminars

- “WiMAX Radio link Parameters and Performance”
- “ IP Contact Centre Technology”

Workshops

- Android Programming Fundamental Workshop
- Web Designing & Photo Shop Workshop

Sports

- Table Tennis
- Football

HONOURS & ACHIEVEMENTS

- Fully funded scholarship by Government of Pakistan through National ICT R&D fund for four (4) year bachelor program (BICSE) at NUST-SEECs
- Automatic Traffic Controller - Digital Logic Design: Selected for University Project Exhibition (2010)
- Got first position in matriculation examination in school

2008-NUST-BICSE-285

Muh'd Usman Habib

Room #105 Ghazali Hostel Block 2 NUST h-12 Islamabad Pakistan
Phone Number: +92 345 744 0904
Email: 08bicseuhabib@seecs.edu.pk

CAREER OBJECTIVES

I am focused driven individual who want pursue career in highly competitive environment. Pressure endurance, motivation and determination are key factors to my success.

EDUCATION

2008 – 2012	Bachelor of Information & Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 890/1100 Govt. College For Boys Sahiwal
2004 – 2006	SSC 901/1050 Govt. High School Sahiwal

RESEARCH EXPERIENCE

Centre of Excellence in Industrial Automation NUST SEECs

I have worked on automation of De-mineralization water plant. We analyzed the project and then we made some enhancements in this project. In this project I worked on Ladder Programming.

WORK EXPERIENCE

(July 1,2011-Aug 25,2011)	Internee at NEXTEK services & NUST -SEECs I've written LCD drivers in Verilog. This project was in coloration with NEXTEK Services which is leading military equipment manufacturing industry.
(July15,2010-August27,2010)	Internee at NUST-SEECs H-12,Islamabad During internship I worked on the PLC programing (ladder logic programming) for the automation of Demineralization Water Plant.

DEVELOPMENT & TECHNICAL SKILLS

Programming Languages:	C/C++, Verilog HDL, Ladder Programming, Assembly
Operating Systems:	Windows, Linux
Tools and Technologies:	Matlab, TRiLOGI, Linux, Windows, Visual Studio, Multi-channel Software, Xilinx, AVR Studio, Proteus
Hardware and Simulations:	Microcontrollers (mega8, mega16, 89C51), Microwave Trainer , FPGA Virtex 5, DSP kit, GSM, PLC (TM100), PCB designing, Digital Communication Board, Analog communication Board,

ACADEMIC PROJECTS

Radar Data Processing Unit

I am working on the hardware implementation of Radar data processing unit. This project deals with target identification by rejection of clutter and noise using specific techniques such as CFAR and MTI. This is implemented on FGPA Virtix 5.

Best Semester Projects:

- SMS alert system using GSM Interface with FPGA(Virtix 5)
- Automatic Office Status Indicator using AVR microcontroller
- Automatic Light Switching using Microcontroller

HONOURS & ACHIEVEMENTS

- Fully Funded study Scholarship for BE in NUST
- Scholarship holder in Matriculation

EXTRA CURRICULAR ACTIVITIES

- 6 weeks workshop on PLC and HMI.
- Two day certified workshop on ST Microcontrollers arranged by ST Microelectronics Pakistan.
- One day hands-on workshop on Design and Development of Embedded Systems using PSOC arranged by Cypress Semiconductors & NUSTSEECs
- Seminars on SCADA Systems
- Seminar on Building Block of Automation
- Series of Seminars on Electrical Engineering Problems & Solutions
- Professional Training
- Two month CCNA training at
- NUST-SEECs, Pakistan

COMMUNITY INVOLVMENT

- Participated in 13th National Scout Jamboree Islamabad (2004)
- Attended Youth Leadership Summit(2010) in Islamabad
- Volunteer NUST literary marathon (2010)
- Participate in NUST Social Event Global Village (2009)
- Volunteer for NUST Science and Social Event NASTIC (2010)

2008-NUST-BICSE-286

Muhammad Yousif

Current Address: Room # 106 Ghazali, Hostels, Block 2,NUST H-12 Islamabad, Pakistan.
Home Address:Ward#11, Mohalla Rajput, Near to Rajput Jamea Masjid, Tehsil & Distt. Rajanpur, Punjab, Pakistan.
Phone Number: +92 334 667 2476 Email: 08bicsemuhammady at seecs.edu.pk

CAREER OBJECTIVES

To be a part of a fast paced environment that will allow me to utilize my knowledge and experience for professional and personal growth.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering NUST School of Electrical Engineering and Computer Sciences.
2006 – 2008	HSSC 763 / 1100 Govt. Degree College Rajanpur.
2004 – 2006	SSC 595 / 850 Govt. Model High School No.1 Rajanpur.

RESEARCH EXPERIENCE

Smart Machines and Robotics Technology.....NUST SEECS (2010-Present)

I'm working on a project titled “Development of a Tele-Surgical Training Robot and Simulator” in collaboration with Holy Family Hospital, Islamabad, Pakistan, funded by National ICT R&D Fund.

Centre of Excellence in Industrial Automation.....NUST SEECS (2009-2010)

I worked on Heating, Ventilation, and Air Conditioning (HVAC). My task was to write a technical report on this project.

WORK EXPERIENCE

Sep 2010 - Present	Research Assistant in SMART LAB at NUST-SEECS In this Research Assistant ship I Worked on project title “Tele-Surgical Training Robot and Simulator”.
Jul 2011 - Aug 2011	Internee at NEXTEK Services & NUST-SEECS / Islamabad In this internship I worked on SPI with FPGA.

DEVELOPMENT & TECHNICAL SKILLS

Languages:	English, Urdu, French (Basic)
Operating Systems:	Microsoft Windows (8, 7, XP), Linux (Ubuntu, RedHat), Android
Tools and Techniques:	MATLAB, Multi-channel, Xilinx, AVR Studio, Keil, Proteus, Visual Studio, Microsoft Office (2007, 2010) , Net beans, Eclipse SDK, Adobe Photoshop, Corel Ulead Video Studio, Adobe Acrobat.
Hardware & Simulations:	AVR Microcontroller Programming, Verilog Module Programming, FPGA Programming, MATLAB, Assembly, Java (Basic), Open Graphics Library (OpenGL), QT (Nokia), C/C++ and Object Oriented Programming (OOP, Data Structure), Collada (Digital Asset Exchange). Microcontrollers (Atmega8, Atmega16, 89C51, STM8), FPGA Virtex 5, DSP kit, GSM, PCB designing.

ACADEMIC PROJECTS

Ground Base Radar Simulator: In this project we are going to design and implement a signal level simulator which supports radar systems, like “Doppler Radar” and “Pulse-Doppler Radar”. This Simulator will be able to handle the effects of climate and target over the signal.

Automatic Office Status Indicator using AVR microcontroller

SMS alert system using GSM Interface with FPGA (Virtex 5)

Chess Game Algorithm Artificial Intelligence using Data Structures & OpenGL (Winner of Class Competition) (Data Structures and Algorithms)

Enter Best Semester Project 1:

“Automatic Room Lock System (Embedded Systems Design)”.

Enter Best Semester Project 2:

“Forest Management System (Databases and Management Sciences)”.

Enter Best Semester Project 3:

“Image Processing using GUI in Mat lab (Digital Signal Processing)”.

Sheeraz Ahmed Memon

House No. 12, Near Arbab Imam Bargha, Hala New Dist Matiari Sindh

Email: 08bicsesmemon@seecs.edu.pk

2008-NUST-BICSE-288

CAREER OBJECTIVES

To work in a progressive organization offering me challenging career opportunities and congenial work environment.

EDUCATION

2008 – 2012	Bachelor of Information and Communication System Engineering NUST School of Electrical Engineering and Computer Sciences
2006 – 2008	HSSC 78% Serweri Islamia Govt Degree College Hala New
2004 – 2006	SSC 81% Makhdoom Ghulam Hyder High School Hala New

RESEARCH EXPERIENCE

NUST School of Electrical Engineering & Computer Sciences, Islamabad

Research Assistant July 2010 - To Date

(Development of a Tele-Surgical Training Robot and Simulator)

- Developed and released a software Smart SCN/XML to C++ Converter for SOFA
- Developed a Peg Transfer Exercising Tool in SOFA Modeler
- Working on development of a Mesh Cutting Tool for 3D Meshes using OpenGL.

Created various simulations for providing doctors a virtual environment where they can practice laparoscopic surgery.

WORK EXPERIENCE

October 2011	Internship at NUST School of Electrical Engineering & Computer Sciences, Islamabad (8 Weeks) Worked as Android Developer Internee, the task was creating stylish customized calendar application which can run on various android devices.
--------------	--

DEVELOPMENT & TECHNICAL SKILLS

Programming Languages:	C++, Java, Action Script 2.0/3.0, Qt
Operating Systems:	Windows 7/XP/98, Android, iOS
Tools and Technologies:	Flex 4.5 SDK , Flash CS 5.5, Photoshop CS4, Flash Develop, Eclipse, Android SDK, Google Sketch Up, 3D Studio Max
Databases:	SQL
Hardware and Simulations:	Proteus, Keil , Xilinx

ACADEMIC PROJECTS

3D Real Time Classic Strategy Game for Android Tablets (Final Year Project)

- This project is a 3D story based Game for Android Tablets. The project idea is based on three different games for PC, Commandos – Behind Enemy Lines, Zelda and Stronghold crusade. The user will have 3 players, Each player with different weapons and different abilities and his mission is to rescue a village. The game is created on a Game Engine which we created by extending graphics engine Alternativa and using Flex 4.5 SDK, Stage 3D on Air 3.2 Runtime Environment. The Game Engine gives an API for Graphics, character modeling, user interface, Weapons and Artificial Intelligence,
- Old Task Scheduler on Android 2.2
- Smart Hajj Guidelines on Android 2.2
- Namaz Notification Reminder on Android 2.2
- Chess Game with NPC AI in C++
- Snake Game with NPC AI in C++

HONOURS & ACHIEVEMENTS

- Full Bright Merit Scholarship awarded by National ICT R & D Fund for graduation.
- Winner in PROCOM.NET 2012 Game Development Competition at FAST-Karachi.
- Participated in Mobily Competition, got selected in best 30 Applications of the World
- Participated in NESCON 2012 Software Competition at FAST-Islamabad, got selected in Top 3
- Participated in SOFTEC 2012 Software Competition at FAST-Lahore, got selected in Top 5
- Participated in 5-Day Islamic Orientation Camp for Position Holders of Sindh, Pakistan.

COMMUNITY INVOLVMENT

- Worked as a Volunteer for Funfair of Physically & Mentally Challenged Children in Islamabad on 7th April 2012

2008-NUST-BICSE-290

Usman Umer

C/O Adnan Electric And Sanitary Store Attock Road Fateh Jang District Attock
Phone Number: +92-322-5714856
Email: usmanumar90@gmail.com

CAREER OBJECTIVES

I seek to reach excellent in my work as well as personal development. I have worked in web and desktop applications using C#, HTML, CSS, ASP.NET, JavaScript, Ajax, BLL, DAL, OOP, Stored Procedures, Functions and SQL Server including sites for startup companies and small businesses. My core competency lies in complete end-end management of a new website development and project.

EDUCATION

2008–2012	Bachelor of Information and Communication Engineering 3.25 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006–2008	HSSC 855/1100 Govt. Degree College Attock
2004–2006	SSC 836/1050 Govt. High School No.1 Fateh Jang

WORK EXPERIENCE

15-06-2011	Working as a programmer in an Assets Management System using C#, .NET and Telerik Rad Controls
------------	--

DEVELOPMENT & TECHNICAL SKILLS

C#,ASP.Net Framework
Java
Visual Studio
JDeveloper
Netbeans
SQL Server
Oracle Database
Telerik Rad Controls for Ajax and Windows Forms
Desktop and Web Applications and Crystal Reports
IIS Configuration
Object Oriented Programming(BLL,DAL)
Ajax technology 3.5,HTML,CSS,Javascript

ACADEMIC PROJECTS

Resource Tracking Using RFID Technology
The Project is aimed to control the resources and assets at large scale by avoiding any sort of theft / loss in real time and maintaining the efficiency of the overall system in a RFID multi-tagged objects environment.

- HMS (Health Message Service, A web services based Java mobile application)
- Whole Sale Inventory System ©#, .NET)
 - Educational Website (C#, .NET) (<http://www.itallaround.com>)

EXTRA CURRICULAR ACTIVITIES

- Football
- E-Gaming

2008-NUST-BICSE-291

Wajahat Karim

Taj Muhammad Power Loom Factory Market Road Hala New District Matiari, Sindh
Phone Number: +92 334 2090 816
Email: 08bicsewkarim@seecs.edu.pk

CAREER OBJECTIVES

To work in a competitive environment that effectively utilizes my analytical, interpersonal, leadership and organizational skills to conceive and achieve solutions. The solutions which help the organization in not only meeting its targets, but also allowing it to grow, thereby, enhancing my own skills as an individual and as a key player in the organization's development.

EDUCATION

2008–2012	Bachelor of Information & Communication System Eng. 2.71 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006–2008	HSSC 78.3 % [S.I. Govt. Degree College Dargah Road Hala New, District Matiari, Sindh]
2004–2006	SSC 84.6 % [M.G. Govt. High School Hala New, District Matiari, Sindh]

WORK EXPERIENCE

September 2010 to June 2012	Undergraduate Research Assistant at SMART Research Lab, NUST SEECS, Islamabad [Code analysis and programming in C++, Qt Toolkit, and OpenGL for Surgical Open Framework Architecture (SOFA), 3D Modeling in 3D Studio Max, Android Application Development and more.]
February 2009 to June 2012	Teacher Assistant at NUST SEECS, Islamabad [Delivering lectures, conducting labs, checking assignments, quizzes and more.]

DEVELOPMENT & TECHNICAL SKILLS

- Programming Languages:** C/C++, Android, Java, Visual Basic, Flash ActionScript 2.0/3.0, Flex SDK 4.5, Qt Toolkit, GLUI, OpenGL
- Operating Systems:** Microsoft Windows XP/Vista/7, Ubuntu, RedHat, Android
- Tools and Technologies:** FlashDevelop, Microsoft Visual Studio, Qt Creator, Eclipse IDE, Adobe Photoshop, Adobe Flash, Google SketchUp Pro, 3D Studio Max, DAZ Studio
- Databases:** Microsoft SQL Server, SQLite Android

ACADEMIC PROJECTS

Philanthropia – The Blind Hope and ApnaEngine
This project is about a 3D game and a game engine. A new custom game engine for different platforms like Android, iOS etc has been developed and then using that game engine, a 3D Real time Classic Strategy game for Android tablets have been developed, which was named as Philanthropia – The Blind Hope. Then game engine was named as ApnaEngine.

- Old Task Scheduler for Android
Flock Simulation for Android
Android RSS News Feeder
PrayerTimes (AutoNotification System)
3D Chess Game with Artificial Intelligence using OpenGL
Snake Game with Artificial Intelligence
3D Model Files Loader using OpenGL

HONOURS & ACHIEVEMENTS

- Winner, PROCOM 2012 in 3D Game Application & Exhibition held at FAST NU Karachi
- Runner Up, NESCON 2012 in Software Project Competition at FAST NU Islamabad
- 2nd Runner Up, Small Worlds Competition at NUST SEECS, Islamabad
- Was awarded 100% scholarship of 1.5 Million PKR by Government of Pakistan through National ICT R&D Fund Scholarship Program for graduation in Info. & Comm. System Eng. from NUST SEECS, Islamabad.

EXTRA CURRICULAR ACTIVITIES

- Fan of Movies
- Game Development
- Blogging

2008-NUST-BICSE-292

WASIM AHMAD

Mardan, KPK
Phone Number: 0314-9818301
Email: identicalperson@gmail.com

CAREER OBJECTIVES

To prove myself as an important and contributory team member in the development of the organization and apply my skills there.

EDUCATION

2008–2012	Bachelor in Information & Communication Systems Engineering 2.9 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006–2008	HSSC 815/1100 GHS Bakshali Mardan (KPK)
2004–2006	SSC 865/1050 GDC Bakshali Mardan (KPK)

RESEARCH EXPERIENCE

Internship certificate in Android Application development

WORK EXPERIENCE

June-July	Internee in HL7 NUST-SEECs (Developed android health application) NUST School of Electrical Engineering and Computer Sciences HSSC 815/1100 GHS Bakshali Mardan (KPK) SSC 865/1050 GDC Bakshali Mardan (KPK)
-----------	---

DEVELOPMENT & TECHNICAL SKILLS

C, C++, C#.Net, JAVA, MATLAB, VERILOG
Android, Web Application
Sqlserver, Oracle
FPGA, Embedded Systems, Microcontroller
HFFS, Proteus

ACADEMIC PROJECTS

Final Year Project: Next Generation Resource Tracking (XRT) System

Details: Developing a web application in JDeveloper for tracking and identifying the assets & resources using RFID technology. Tools used in FYP are JDeveloper & Oracle.

1. Multi functional embedded system (calculator, alarm, stop watch, clock, calendar)
2. Web services to mobile client (teb e nabvi)
3. Android Health App

HONOURS & ACHIEVEMENTS

- o Received fully funded scholarship from ICT R&D fund for Bachelor degree

EXTRA CURRICULAR ACTIVITIES

- o Cricket, Table Tennis, Poetry

2008-NUST-BICSE-293

Zakirullah

KPK, Distt DIR (upper), Village and P/O Bibyawar.
Phone Number: +92-307-8569425, +92-307-5742807
Email: Zakirullah98@gmail.com, Zakir.nustian@yahoo.com

CAREER OBJECTIVES

Dynamic, Team Oriented and Performance driven individual, ready to use all the Vigor and Motivation, along with good communication and an ability to work in stressful conditions. Want to be associated with a progressive organization that gives scope to update my practical knowledge and skills, in accordance with the latest trends.

EDUCATION

2008–2012	Bachelor of [Bachelor of Information communication Engineering] 2.93 / 4.00 NUST School of Electrical Engineering and Computer Sciences
2006–2008	HSSC 776 [Gov't Degree college Thana]
2004–2006	SSC 836 [Gov't High school Bibyawar]

RESEARCH EXPERIENCE

- 1) Internship in HL7 Pakistan at NUST
- 2) Certified Information Technology (certified)
- 3) Teaching assistant at NUST (certified)

WORK EXPERIENCE

September 2010 to June 2012	Undergraduate Research Assistant at SMART Research Lab, NUST SEECs, Islamabad [Code analysis and programming in C++, Qt Toolkit, and OpenGL for Surgical Open Framework Architecture (SOFA), 3D Modeling in 3D Studio Max, Android Application Development and more.]
February 2009 to June 2012	Teacher Assistant at NUST SEECs, Islamabad [Delivering lectures, conducting labs, checking assignments, quizzes and more.]

DEVELOPMENT & TECHNICAL SKILLS

- o Operating System: All Windows
- o MS-Office (Word, Excel, Power Point, Access)
- o Xilinx and FPGA Vertex-5 (Verilog Coding), 89c51 C/C++, HTML, JAVA, C#, ASP.Net, MySQL, SQL Server 2008, Verilog, Assembly Language, Android
- o RIM based data bases design and implementation
- o MATLAB, ORCAD, PSPICE, LIVEWIRE
- o SMTP configuration for email sending
- o Operating System: All Windows
- o MS-Office (Word, Excel, Power Point, Access)
- o Xilinx and FPGA Vertex-5 (Verilog Coding), 89c51/89c52 Microcontroller TP

ACADEMIC PROJECTS

FINAL YEAR PROJECT:

[HL7 and CCHIT complaint E-prescribing system design and Implementation (web application).]

Electronic prescribing system for Medical doctors, which is compliant with Health Level-7 (HL7)

And Certification Commission for health Information technology (CCHIT). Its data base is Reference Information (RIM) based, in which the store data is directly mapped to HL7 standard data types, that can be used directly to generate and send messages XML format.]

ACADEMIC PROJECTS:

Mobile profile scheduler (Android)
Arithmetic Logic Unit (ALU)
Traffic Light control system (FPGA, Verilog)

HONOURS & ACHIEVEMENTS

- o Certificate of merit by ICT
- o 100% scholarship by ICT for bachelor degree

2008-NUST-BICSE-296

Maryam Hanfi

C.B 21, Iqbal road Supply,Abbottabad.

Phone Number: 0343-9631699, 0314-5047646

Email: 08bicsemhanfi@seecs.edu.pk, mryamhanfi@gmail.com

CAREER OBJECTIVES

Want to have a challenging career in telecom industry especially in the area of wireless communication systems, RF planning. I would like to work on network planning, operation and maintenance of GSM, LTE, WIMAX and other emerging technologies in wireless domain.

EDUCATION

2008–2012 Bachelor of Information and Communication System engineering | 3.50 / 4.00
NUST School of Electrical Engineering and Computer Sciences

2006–2008 HSSC | 870
Islamia modern college, Abbottabad

2004–2006 SSC | 863/1050
Rah-e-Danish Model School Abbottabad.

RESEARCH EXPERIENCE

Currently working on “Introducing the redundancy to achieve reliability in a Wireless Sensor Network”

WORK EXPERIENCE

July 1st 2011-August 31st 2011 **MDIC Internship | NUST School Of Electrical Engineering and Computer Science, Islamabad, Pakistan**

Energy auditing of SEECS

DEVELOPMENT & TECHNICAL SKILLS

- Sound knowledge of GSM, WIMAX and information theory,
- Work on Latex to build report, articles etc.
- Good knowledge of C/C++, MATLAB and socket programming.
- Currently working on Atarraya simulator.
- Currently working on MAPEL.

ACADEMIC PROJECTS

Introducing the redundancy to achieve reliability in a Wireless Sensor Network

Poly3 is an improvement of Poly, which offers reliability in a wireless sensor network by retaining a polygon around the sink. While Poly retains only one polygon, in Poly3 it is proposed that retaining polygons of size 3 in the whole network will offer more reliability. Poly3 offers reliability throughout the network.

- Voice recognition in digital signal processing using Matlab.
- Chess game using data structures.
- Digital clock in digital logic design

ACADEMIC PROJECTS

- Vice-President of membership committee in NUST-SEECS ACM chapter.
- Got GPA based scholarship in 5 semesters on above 3.5 GPA.
- Currently studying on full bright scholarship from ICTR&D.
- Chosen to award as “outstanding academic performance” from ICTR&D.

EXTRA CURRICULAR ACTIVITIES

- Organize in IEEE EQUINOX in 2011.
- Organize Exylent workshop 2011.
- NUST-SEECS cricket team, dodge the ball team member.

BEE PROGRAM
