

AYESHA BINTE SAFI ULLAH

House No. 405, Street No. 19, Tele-Gardens MPCHS, F-17/3 Islamabad · 03455108355

abs2002.safi@gmail.com ·

I am a bachelor pursuing electrical engineering and have a deep interest in Machine Learning, AI, Content Writing, Graphic Designing and Website development and would like to pursue research related as well as experience-oriented work in the related fields.

EXPERIENCE

DECEMBER 2020 – PRESENT

EXECUTIVE WEB & IT, IEEE SEECS CHAPTER

This position demanded management of IEEE-SEECS website and IT related work. Working in this position enabled me to develop extraordinary WordPress, data management and teamwork skills.

NOVEMBER 2021 – PRESENT

EXECUTIVE WEB & IT, NRC

JUNE 2022 – PRESENT

CONTENT WRITER, SOCIAL MEDIA MANAGER, GRAPHIC DESIGNER, MASKAN

(self-employed)

EDUCATION

AUGUST 2018

SSC, APSACS WESTRIDGE III, RWP.

AUGUST 2020

HSSC, APSACS WESTRIDGE III, RWP.

NOVEMBER 2020- 2024(EXPECTED)

BACHELORS IN ELECTRICAL ENGINEERING, NUST H-12 CAMPUS

Completed my 4th Semester. With a CGPA of 2.85, here are some of my coursework achievements:

- Snake Game Using Unreal Engine – Semester Project for 1st semester (FOP/C language)
- Wireless Charger – Semester project for 2nd semester (Electrical Network Analysis)
- SPACEX Flight Simulation Using MATLAB – Semester Project for 2nd semester (Engineering Mechanics)
- Dual Axis Solar Tracker – Semester Project for 3rd semester (Digital Logic Design)
- Endless Runner Game Using Unreal Engine – Semester Project for 3rd semester (Object Oriented Programming)
- Human Presence Detection Using IR sensors – Semester Project for 4th semester (Microprocessor Systems)

SKILLS

- C/C++/Assembly language & Programming
- Use of MATLAB
- Use of WordPress
- Unreal Engine
- Content Writing
- Basic HTML and CSS
- Website (Content) Management
- Use of Atmel Studio/Visual Studio
- Microsoft tools
- Efficient management and teamwork skills
- Canva
- Graphic Designing

ACTIVITIES

I was a part of organizing committee of ICMAC'21(1st International Conference on Microwave, Antennas & Circuits) organized by RIMMS, NUST, working as a member of Web & IT Team. Currently I am pursuing Content Writing Training Program by Skylift Marketing. I am also self-employed at Maskan, with my responsibilities being Content Writing, Social Media Manager and Graphic designing.
